

FOUNDATIONS

"Why Some Are Receiving Multiple Breakthroughs While Others Have Nothing To Show For It ..."

There is a HUGE reason why some people seem to be getting all the blessings, while others have been struggling for years without anything to show for it.

It is simple to understand this once someone takes the time to explain it to you. And that's what I am going to do here ... explain in everyday language so you can see it plainly and take action, if necessary.

Now what accounts for the fact that some Christians pray ... and blessings fall on them like rain, while others pray the same prayers and it just seems like God is not hearing them?

Or for the fact that some find that it takes a lot of struggles, prayers, fasting, tears, frustration ... and a long, long time before they can "taste" even one little success?

The answer could be summed up in just one 10-letter word:

Foundation!

Now before you go off thinking you know all about this, just bear with me for 10 minutes and read this through ... it will change the way you look at things, guaranteed!

What is a foundation?

Foundation is a structure on which something rests. It is a platform which is designed to carry and sustain the weight of an object or thing. Every human-based operation and manifestation must have a foundation.

In spiritual terms, a foundation is the platform on which one's life rests. It is a platform prepared for you by your ancestors. It is your hereditary root. It is also the bedrock upon which the structure of your life rests.

Last month, a colleague of mine at work was advised to undergo an invasive surgical operation.

By her doctor.

Why?

Because her brother had recently passed away. As a result of cancer. Her mom had died from the same thing.

So she asked her doctor: "How can I avoid this and also ensure that my kids will not have to face this problem?"

"Change your ancestry, if possible," came the reply.

From a highly reputable physician using the latest medical technology in one of the most advanced nations of the world. Do you understand what he was trying to say here?

Plain and simple, it is this:

Many medical problems can be traced through generational lines back to your fore parents who lived long ago!

This is even more valid when it comes to spiritual things.

What are the facts about foundation?

1 Foundations are vital in every area of life

2 The strength and height of every structure is pre-determined by its foundation

3 Every thing you engage in has a foundation

4 No one is exempted from the implications of one's foundation, even if they are not aware of what happened in times past.

5 There is a power relationship between one's foundation and her success in life

6 One cannot climb higher than the strength of the foundation carrying her.

7 **One's foundation is the major reason why some succeed and some fail.**

Now, if the foundation of your life has been built on godly principles --

Running through a few generations of godly parents -- you may find life to be just smooth sailing, most of the time.

See the life of Solomon in the Bible ...

It is clear from the scripture that the foundation can be destroyed (Psalm 11:3).

When that happens, the result is an evil or corrupted foundation ... and this is the #1 problem many people including born again Christians are

struggling with, and wondering why certain things are happening to them.

What is an evil foundation?

- 1 It is the foundation that mocks one's prayer
- 2 The foundation that produces calamity
- 3 Foundation that recycles problems from one generation to another
- 4 Foundation that transmits negative carryover of problems from year to year
- 5 Foundation that resists normal prayers and confessions
- 6 Foundation that says, "thus far can you go, but no further" ... places spiritual embargo on persons and their entire families
- 7 Foundation that will constantly attract evil things to a person
- 8 Foundation that causes one's dream life to be invaded easily
- 9 Foundation that kills or drives away divine helpers
- 10 Foundation that will rather destroy a person instead of allowing them to prosper.

(Please note that some churches also have evil foundations, especially if they were founded to make money. It would be next to impossible to be blessed there, no matter how much seed you plant!)

38 signs that can alert you to the fact that there is an evil foundation in place

- 1 Inability to receive baptism of the Holy Spirit
- 2 General backwardness
- 3 Working hard but having nothing to show for it
- 4 Sicknesses that defy medical diagnosis
- 5 Unexplainable marital distress
- 6 Bad marriage
- 7 Difficulty in making spiritual progress
- 8 Abject poverty and/or debt burden
- 9 Constant failure at the edge of breakthroughs
- 10 Collective family captivity i.e. members of the family suffer from the same things.
- 11 Falling sick after seeing oneself in strange places in the dream
- 12 Being born/raised by non-Christian or occult parents
- 13 Those who are being monitored by satan or his agents
- 14 Those who are hated for no reason
- 15 Those struggling with addictions (e.g. cigarettes, alcohol, pornography)
- 16 Those whose blessings are usually diverted to others
- 17 Those who suffer innocently as a result of being impersonated in the dream
- 18 Those who do not have any tangible testimony throughout the year
- 19 Those who are suffering as a consequence of having evil dreams
- 20 Those suffering from delayed marriage
- 21 Those who desire to have children but cannot
- 22 Those who have unstable homes
- 23 Those who hear strange voices and see strange things
- 24 People who are always falling sick
- 25 Those who have at one time or the other consulted fortune tellers, mediums, astrologers, or visited ungodly places of worship.
- 26 Those who have worshipped or are still worshipping false gods
- 27 Those who live in a demonic environment
- 28 Those who have been cursed by their parents, even playfully.
- 29 Those who have evil properties in their homes after being saved e.g. pornographic materials
- 30 Those who have brilliant ideas but cannot apply them
- 31 Those whose promotion never comes naturally or easily (always takes a struggle)
- 32 Those whose benefactors always get discouraged or are under attack.
- 33 Those who find it difficult to sustain their blessings.
- 34 Those who find it difficult to stay married to one partner
- 35 Those who are good starters but poor finishers
- 36 Those who can never focus on anything long enough to achieve success
- 37 Those who allow opportunities to slip away as a result of procrastination

38 Those who have a deeply entrenched fear of the unknown.

How do you deal with evil foundation?

1 Carry out spiritual detective work on your background. You can obtain information from parents, grandparents, and other family members who know the history of the past. You can also obtain information by observing the trend of things around you. You can ask the Holy Spirit. **Here's what you need to find out:**

- the identity of your parents, at least to the 3rd and 4th generation
- the names they bear
- their character
- their occupations
- their commonest activities
- how long did they live
- how did they die
- what did they worship
- how did they give names to their children
- do they have family shrines or altars
- who are the priests serving at those altars
- what covenants did they enter on behalf of the family
- what curses are operating in the family
- what litigations
- what sanctions were placed on the family
- what patterns or trends are evident in the family
- any pattern of mental problems
- any pattern of disabilities
- what marks were made on the kids and why
- any other question the Holy Spirit prompts you to ask

2 Ask for forgiveness from the LORD

3 Renounce any ancestral contract. Meaning withdraw your allegiance and connection to pledges, vows, commitments, promises made by you or your ancestors to anything outside God.

4 Break every ungodly covenant through prayer and fasting

5 Deal with ungodly altars in your family

6 Rededicate yourself, your family and property back to God

7 Pray hard and aggressively to recover all that you have lost

8 Barricade your life ... by adopting a lifestyle of holiness, prayer and fasting

If you are a Christian in business ...

Let me briefly share some thoughts from a great Christian entrepreneur of the last century. Bruce Barton was a Christian businessman in the early to mid 1900s. A very successful one ... in fact one of the few millionaires of his time.

The son of a famous minister, Barton was always drawing inspiration from the Bible. His most famous book was about Christ (and his second most famous book was about the Bible).

He said that your business must do more than provide a service

His book, *"The Man Nobody Knows"* made Jesus alive for millions of people. At that time, most people thought (and still think) of Jesus as a sad, wimpy type of savior. But Barton said that Jesus was physically strong from being a carpenter, healthy from walking in the open air every day, popular because He was invited to parties and attracted little kids, and a wise leader because He took 12 unknown men (fishermen) and made them leaders in a unique organization that spanned the globe and touched everyone for thousands of years. Barton wrote in 1920, **"He (Jesus) was at a wedding party - The wine had given out. So He performed His first miracle. Just to save a hostess from embarrassment - and He thought it worth a miracle. Just to save a group of simple folks from having their joy cut short - it was for such a cause, He thought, that His divine power had been entrusted to Him."**

Here is another excerpt from his book:

"I hope I may never be guilty of writing anything intended to make poor people contented with their lot.

"I would rather be known as one who sought to inspire his readers with a divine discontent.

"To make men and women discontented with bad health, and to show them how, by hard work, they can have better health.

"To make them discontented with their intelligence, and to stimulate them to continuous study.

"To urge them on to better jobs, better homes, more money in the bank.

"But it does not harm, in our striving after these worthwhile things, to pause in a while and count our blessings."

- Bruce Barton, 1920

Finally, here's something he said that might just be one of the greatest secret to prosperity:

"If a man practices doing things for other people until it becomes so much a habit that he is unconscious of it, all the good forces of the universe line up behind him and whatever he undertakes to do." Think about that!

Now to the prayers... to round out our teaching on foundation.

Prayer DNA

***** THE ULTIMATE BREAKTHROUGH *****

"I want to share a vision that I saw whilst beginning to do my 6pm prayer.

I started off inviting the Holy Spirit to empower me and lead me through this prayer... and went on to praise and worship (I love this bit as I can go on and on dwelling in his presence forever), I was so deep in worshipping that I started to cry out to him and confessing my sins (you know... those ones that you say to be upfront with God before starting the prayer of releasing finances)...

I so desperately wanted to know his response that I waited silently and allowed myself to be caught up in his presence. After a few minutes of waiting upon the Lord the Holy Spirit told me to flick the bible open. As I open it ... it was Esther 5. I read the whole chapter; it was Esther's Request to the king.

To me.. I was filled with joy as my prayer pleases the King of all KING to grant my petition and fulfill my request of being forgiven. I was so touched by his response that I continue to humble myself and praise him with humility...

*Then my eyes opened in the spirit. **I saw this figure coming from heaven dressed in white**... I could not see his face but I saw a gold crown on his head. The brightness that was coming from him made me hide my face. I felt something touched my head it felt like a stick and these white flakes begin to fall from heaven and they were soothing. They just engulfed me. Then I heard his voice. It was gentle and soothing. He said:*

"Rise up o woman of great esteem, come let me show you what I have in store for you."

He gently took my hand and I got up and looked... Behold I saw this great city glittering it was as everything was made of glass and different kind of stones adorned this city. It was the most magnificent architect of all times. It was breathtaking. I just stood there soaking in the beauty of this city... man, I did not want to leave, splendor was everywhere. I don't know whether that was heaven or not... all I know is that he spoke and said..." you see this city, this is my mine and I am giving half of the kingdom to you... for you are pleasing in my sight "

I don't know the significance of that vision but I was choked with emotion. I was rocking back and forth thanking the Lord for this awesome, extraordinary gift that has been given to me..."

New Year's Shocker... 'Know It All' Coach Elisha EXPOSED

"You're A False Prophet!" She Screamed.

"I've Already Wasted Years And Tons Of Money On So-called **ANOINTED MEN OF GOD**... But You're The Worst!" You Haven't Prayed A Single Prayer For Me!

Ouch! It was only the first day of the New Year... and I was already humiliated!! "False Prophet" is a painful title to a minister of the gospel of Jesus Christ... but she was right, you know. I never pray for my callers... because I'm always trying to get them to wake up...

Their 'Prayer DNA'

I'll tell you about the 'Prayer DNA' in a minute. But first, here's how the disaster happened when Joannie, my first caller of the New Year, called to speak to me with tears in her voice...

She'd been given my phone number by her friend Melanie, who happened to attend the end-of-year prayer meeting I held at a little church just a few days earlier. According to her, she'd never seen anything like that, or heard the kind of energetic prayers we prayed that night. During the session, she saw Roxanne who had been in an accident 18 years earlier and couldn't walk straight suddenly straighten up and begin to scream – totally healed!

Emily shared a testimony of how her 21-year-old daughter who was shooting up to three and half grams of cocaine a day miraculously got delivered from this deadly addiction after praying a few prayer points I sent her.

Jack showed a couple of doctors' reports – one before he started praying some prayers I emailed to him a month before, and the other obtained just that morning...

Melanie said she was amazed all this happened without any special laying on of hands... or daily affirmations... or positive thinking... or visualization... or fire walking... or dream building... or self talk... or falling under the anointing... or any of those other 'techniques' that many 'experts' are preaching these days.

So Joannie was persuaded to give me a call. Her marriage had been threatening to fall apart for over a year. She also had a teenage daughter who was heavily into drugs and the occult. As if this wasn't enough, she just lost her job at an auto parts vendor thanks to outsourcing, and foreclosure on her home was a looming possibility.

The final straw? The spouse called it quits the previous day... in spite of prayers by powerful ministers of God... in spite of reassuring prophecies she'd received that this would never happen...

Anyway, she was trying to hold back the tears as she told me how overwhelming the past year had been. Her voice broke when she told me about going from seminar to seminar, how she'd been everywhere for relief, and about how 1 year of counseling had not helped a bit... "Now my marriage has fallen apart," she wailed. Then...

I waited for a few minutes, then I asked her gently, "Joannie, **where exactly would you like us to start?** I mean, of all the things you've mentioned, which one gives you the most pain?"

There was a long pause on the other end of the line. I could tell she wasn't prepared for that question. After what seemed like a long time, she whispered, "my marriage."

"I would give anything to have my marriage back... I feel this somehow has affected everything else that's been happening..."

Then I asked her, "If I gave you 7 specific prayer points to pray this night before you go to bed, would you do that for me?" She began to sob quietly, "I will give anything... do anything..."

Eureka! That was all I needed to know. She had just signaled to her 'Prayer DNA.' I confidently began to read her the prayer points, asking her to repeat them after me with a loud voice. I'd just given her the last one and was about to detail the instructions on HOW to pray them and... BOOM! It happened...

Joannie Went Berserk!

"I knew it," She screamed! My pastor told me not to go to a... a... (she spat out the words)... a 'stupid prayer coach!' He said you were all a bunch of FALSE prophets and now I believe it. I'm in agony here and you haven't prayed a single prayer for me!!" **"I TOLD YOU** I needed you to pray for me – NOT for you to teach me how to pray! What's the matter with you, why are you so uncaring?"

Wow. She got so mad it scared me right out of my socks. But she was right, I wasn't going to pray for her... at least not in the way she thought I should be. I was actually... secretly... intent on getting her to...

Activate Her Prayer DNA!

What do I mean by her 'Prayer DNA?'

You see, DNA is the hereditary material in humans. All the instructions needed to make things work in the body are contained within this chemical DNA... And all these information in the DNA is stored as a code.

So much for the physical side of things. When we get to the spiritual, things become a bit more interesting.

Here's what happens...

When God wants to deliver spiritual instructions to those who have not yet developed the capacity to hear HIM directly, He spiritually opens their 'ears' when they are asleep and imprints or seals the information in their spiritual

DNA. This information contains all of God's instructions (prescriptions) needed to build and maintain a healthy and abundant life... plus relationships... plus finances. Only trouble is... it is encoded! It takes specific prayers to 'wake up' this spiritual DNA and to extract the encoded information from it. That's why I call it the "Prayer DNA."

Joannie's Prayer DNA And The "Secret Decoder" Book

Well, Joannie's Prayer DNA needed to wake up... so it could begin to transmit the coded message about her problems. The 7 prayer points that I just gave her is part of what is entitled, "Know The Secrets" and it's designed to get her Prayer DNA into transmission mode (remember, it was asleep all these years). Just by repeating these prayers after me passionately, her DNA began to transmit using a special secret code... Joannie just didn't know it. And neither would anyone without the secret "DNA decoder book"

The Secret Code REVEALED

You see, the secret code in this case appeared suddenly – like a wedding gown stolen or torn or something bad happened to it. The secret meaning was, 'HELP, marriage under attack!'... Plus, specific coded information on where the attack came from and, more importantly, how to neutralize it.

Your spiritual DNA has secret codes that it transmits when you pray certain prayers, but it takes someone with the 'decoder manual' to understand it. And I know the secret codes. For instance, if your secret code transmits images like:

- You're on a trip and the road is becoming longer and longer... and you never seem to complete the trip. This is like frustration is silently creeping up on you unawares.
- You're constantly wandering around at the mall – whether you're there to buy anything or not – is like a message in a bottle, saying be careful or you could end up in a mental institution pretty fast.
- Going back to your childhood days is a sure sign that backwardness or retarded progress is setting in.
- Losing money – and not able to find it – is a coded message that there's some spiritual attack on your finances going on behind your back... and you need to take quick action.

So you see, I actually was getting a spiritual diagnosis of Joannie's problems as a result of the few prayer points we were repeating back and forth... which now gave me the information I needed to prescribe for her:

... A set of 21 focused, razor-sharp prayer points GUARANTEED to slice through her problems like a hot knife through butter!

By the end of the second week, her husband Bill was back home, full of apologies. Caroline the daughter took longer (about six weeks) to break away from her relationship with her occult boyfriend... and the drugs.

About her job? She was recalled at the end of February and even given a raise!

This wasn't an instant fix like we all want, because problems have been building up for months... and she didn't have the right spiritual training to cope with this.

Uncaring!

On her last call, I asked her why she'd sent 6 other friends to see me if I was so uncaring. We laughed about it. Anyway, her husband Bill confessed to me he never knew there were so many 'obscure' Scriptures that could be applied to solve emotional and physical problems (he's been a devoted Christian for 25 years)... and he's now 'eating' his Bible like a hungry lion day and night.

Just Praying?

I just wanted to set the record straight. Depending on what codes your DNA is transmitting, you may need to FAST during the prayers. Your heart and mind may also need 'spiritual surgery' for you to see any meaningful results (I'll tell you all about this later).

In the last few years, I have come across 341 secret codes which can be transmitted... including direct messages from the Holy Spirit of God. You may also pick up valuable information in dreams and visions. Stay with me. This book will touch upon some of these as we go along.

Free "DNA" Secrets Alert

Joannie told me to make it easy for all YOU folks out there to wake up your 'Prayer DNA.' She'd like you to begin to enjoy (like she did) divine solutions to your relationship problems... and your financial problems... and even your health problems.

So I decided to put together this book and offer it on this website (www.firesprings.com). In it I teach the fundamentals of praying deadly effective prayers. Not the cherry pie kind of prayers they taught you in Sunday school... Not prayer that is limp, boring, sleepy and dull.

No. Today, you're going to begin the process of learning how to pray 'targeted' prayers. Prayer that hauls in not just the exact things that you pray for; but rather, the prayer that has the potential of bringing in the unexpected... quickly!

You'll find the very next section – What I believe: The ABC Fundamentals – a useful foundation for all the subsequent material, especially if you're relatively new to this type of energetic and passionate praying. It will help clear your head of all the old stuff you've been taught to do, that's not working.

CHAPTER ONE

WHAT I BELIEVE

The ABC Fundamentals

I'd like to share with you my 3 core beliefs about effective prayer, and you can see if they match yours. I call this the ABC Fundamentals... the very basics... the building blocks. It's important to get this clear before we dive into any 'secrets.'

Here's my ABC

A stands for **A**cknowledge God

B stands for **B**e humble and show gratitude to God

C stands for **C**ommit to ONE strategy

A Acknowledge God

First, I believe the purpose of prayer is to get answers... from God, not to impress God or anyone, not to win applause. And prayer should be addressed to God through Jesus Christ, and none else...

Since we're going to be addressing our prayers to God, we should be careful to acknowledge Him, and do so without any reservation.

What do I mean by acknowledging God?

To acknowledge God means to make sure your HEART is surrendered (submitted) to the lordship of Christ totally. As obvious as this may sound, the reality seems to be that so many Christians are only 'partially' submitted, and as we shall see later on, this does prevent folks from receiving what they pray for.

Acknowledge Him... demonstrated it by giving your heart totally to Jesus our savior... by confessing our sins AND leaving them behind... and allowing Him to change our heart. That's what it means to be "saved."

Have you been saved?

If you are not sure you are "genuinely" saved, it's simple to be saved ...

- **Realize you are a sinner.**

"As it is written, There is none righteous, no, not one:" Romans 3:10 "... for there is no difference. For all have sinned, and come short of the glory of God;" Romans 3:23

- **Realize you CAN NOT save yourself.**

"But we are all as an unclean thing, and all our righteousness are as filthy rags; ..." Isaiah 64:6 "Not by works of righteousness which we have done, but according to his mercy he saved us, ..." Titus 3:5

- **Realize that Jesus Christ died on the cross to pay for your sins.**

"Who his own self bare our sins in his own body on the tree, ..." 1 Peter 2:24 "... Unto him that loved us, and washed us from our sins in his own blood," Revelation 1:5

- **Simply by faith receive Jesus Christ as your personal Savior.**

"But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:" John 1:12 "...Sirs, what must I do to be saved? And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house."" Acts 16:30,31 "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16

WOULD YOU LIKE TO BE SAVED?

Pray this prayer, and mean it with all your heart. *Lord Jesus, I know that I am a sinner, and unless you save me I am lost forever. I thank you for dying for me at Calvary. I come to you now, Lord, I repent of my sins and I ask you to save me. I now receive you as my Savior. In the name of Jesus Christ, Amen.*

B Be Humble and Show Gratitude for Everything

Second, I believe that one must humble herself before God.

A practical way of doing this is to always express our gratitude to Him for everything, thanking Him in any situation we find ourselves... and praising Him in all circumstances, whether good or bad!

It is this attitude, more than anything else, which can have the greatest impact on the effectiveness of our prayers.

As part of this, it is also important that we worship Him with, not just the 'fruit of our lips' but also with our substances.

My friends and I have also discovered that giving thanks for God's goodness to OTHERS (and praying for them too) is a powerful means of having our prayers answered fast... much faster than would have been the case otherwise.

Again, this sounds so basic you might feel it's not necessary to dwell on it. But at the risk of sounding like a broken record, I want to point out that, though God answers EVERY prayer that is in line with His purpose, you might NEVER see the answers to that prayer if you fail to cultivate and maintain a grateful attitude... at all times! It's that serious.

Let's pause here for a moment before we get into the 'heavy stuff' and review what we've said so far.

In order to pray the kind of prayers that provokes quick answers, you must:

BE humble and be grateful to Him for everything in our lives and in the lives of others, maintaining an attitude of praise... and worship through good and bad times... and live HOLY.

Last point I want to make here is this ... **learn how to confirm God's purpose for you**, using the Bible and prayer, and NEVER ever try to dictate to HIM how and when your prayers should be answered... He has perfect timing!

With me so far? Great. Now to the third and last of my core beliefs... the **C** of my ABC Fundamentals.

It is this...

C Commit To ONE Prayer Strategy

Recently some pastors were asked why their churches were not growing, in spite of the hard work they'd been putting in for so many years. The specific areas of growth referred to were:

- (i) membership
- (ii) finances

A majority of them believed it was renewed attack by the devil (61%) while the rest blamed it on the economy. Not one finger was pointed inward at all. Don't get me wrong here. These two elements are certainly important contributing factors but they are NOT necessarily the primary reason for dwindling headcount and resources in the church.

The Missing Ingredient...

The major overriding reason for lack of growth, whether spiritual or physical, whether for church or individual members, is...

LACK OF A CLEAR, FOCUSED PRAYER STRATEGY!!

Surprised? You shouldn't be.

Here's why:

The devil has been in operation for many centuries BUT he wasn't able to stop the Early Church from spreading like an epidemic...

Even recently, in China, for example, before the communist regime began the worst form of persecution of the Church in the 1940s (which continues to this day), there was an estimated 4 million Christians. Half a century later, in spite of the imprisonment, torture and killings of members of the underground Church... there are over 100 million Christians in China today! What phenomenal growth in spite of the devil!

Blaming it all on the devil will just not cut it.

And how about the economy?

And its adverse effect on the finances of members individually, and the church collectively?

During the time of the Early Church, famines, natural disasters, outbreaks of deadly epidemics, were a normal part of life. But if you're a careful reader of the Bible, you'll realize that the Church had abundance in everything. Folks gave... and gave... and gave, in spite of the terrible economy of those days.

What then is sorely missing today?

I repeat, ignorance of the ONE clear, focused prayer strategy that effective Christians have been using throughout the ages!

We can TALK about prayer all that we want to (as is currently fashionable), but the type of results we're looking for will NOT happen without this ONE, virtually unknown concept I'm going to introduce here (and expand on in subsequent chapters).

You want to know why your prayers are not working?

Possibly, you're not even aware of this ONE concept that never fails to bring results.

For many years as a Christian, I didn't know it either. Quite possibly, my pastors in those days never knew it, or at least they never tried to teach it or practice it... and I paid a huge price for this ignorance.

But once I knew it and began to apply it meticulously, the results were nothing short of dramatic, to the glory of God! I'm getting ahead of myself here... so let's backup for a second.

What Is A Prayer Strategy

A prayer strategy is a particular plan of praying, focused on bringing the victory of Jesus into any situation we might encounter.

The main elements of an effective prayer strategy are...

- identify your needs specifically
- search for, and meditate on, relevant Scriptures
- present your case methodically and systematically before God
- be passionate and persistent
- engage in purposeful fasting while you pray
- be expectant and pray with faith
- pray aggressively to a level of assurance

I have discovered that ALL prayers that God ever answered in the Bible contain many or all of these elements.

Through years of study and practice I have melded all these elements into what I call...

The D-Day Strategy

To describe this unique strategy I will use two stories – one from World War II, and the other from the Bible, starting from the time of Christ.

The D-Day Strategy Of WW II

During World War II, the Nazis had succeeded in gaining near-total control of Europe and the only country left standing was Britain. At this point, the Allies, led by the US and Britain, made the historic decision to enter and seize control, by landing their forces in one strategic location – at the beaches of Normandy, in Northern France.

To achieve this impossible feat, the Allies had to assemble a huge invasion force of over 100,000 troops at a base in England, launch a focused attack targeted at the beaches of Normandy. Separating them from their goal was the English Channel. They were going to cross this Channel as fast as they could with an invasion force focused directly and exclusively on the point of attack (D Day).

Once they landed on the beaches of Normandy, their job was to quickly force the enemy out of this area and secure the beachhead. Then they had to move out to take additional areas (in France) on the way toward overall liberation and control of Europe.

That's it. That's the D-Day strategy. And that's what turned the tide of World War II against the Nazis and secured victory for the rest of the world.

Why was this such a successful strategy?

Because they were totally focused on a very specific 'niche' where they could dominate from the outset. They were able to concentrate an overwhelmingly superior force on this highly focused target (the beaches at Normandy) and because of this singular focus, they were able to quickly force out the enemy from that location, and then use it as a base for broader operations. It worked in 1944 for the Allies and has continued to work in other military campaigns. Now you just might be saying, "fine, but what has any of this got to do with prayer?"

Well, in case you've not noticed, in the Bible, praying and receiving answers to those prayers has always been an act of aggression. Successful people of prayer in the Bible prayed with the sole purpose of getting answers, despite whatever resistance was posed.

No matter the circumstances. Take Elijah. Or Jabez. Or even the man called Blind Bartimaeus. They were not praying to be noticed, or applauded. To them, opposition just didn't count... they wanted answers!

On another level, there are invisible powers in the spiritual realm (you can only see them through the eyes of the spirit) who do not want you to receive the answers to your prayers, and are doing all they can to shut you out. You may not

believe this... but it doesn't matter whether you believe or not. The Bible says they are there. The fact that someone, including some favorite television preachers, cannot see them... does not in any way change this spiritual reality. In the time of Jesus, the religious leaders could not understand this... so Jesus said they were like the blind leading the blind.

Clearly, the Bible shows these invisible powers are there... and they go by a lot of fancy names. For the purpose of this text, I'll call them prayer vampires – out to drink the blood of your prayers so the answers never come.

Got all that? If yes, that's great!

I'm now about to show you that the very word of God that we're all enjoying today was spread through a method similar to the D-Day strategy I just described.

D-Day Strategy of Early Church

Objective: To take the gospel to every creature on earth

JESUS - Established an early base in Galilee

- Crossed his own 'English Channel' to Jerusalem

- Immediately grabbed the strategic beachhead of the Temple at Jerusalem. (I'm hoping you know your Bible well... the first thing Jesus did on entering Jerusalem was to head straight for the temple where he used aggression (violence) to drive out those who were misusing the place – not the ever gentle Jesus we know).

APOSTLES –

- Quickly secured the temple (they were always at The temple, preaching and performing miracles after Jesus ascended into heaven).

- Used the temple as their base to carry out the broader operations of spreading the gospel in Jerusalem, in Judea and in Samaria – as commanded by the Lord.

PAUL & Co.

- Took the gospel to the outermost parts of the earth

Do you see the progression?

- *Jesus started from Galilee (early base)*
- *Jesus crossed to the temple at Jerusalem (beaches of Normandy) Page 23 of 149 Prayer DNA*
- *The apostles secured the temple*
- *The apostles used the temple as a base to spread the gospel to surrounding areas.*
- *Apostle Paul and company then moved out to the rest of the world (Europe)*

Remember, the ultimate purpose of our Lord Jesus Christ all along was to spread the gospel throughout all the earth. But see how it all began in one tiny early base in Galilee, marching on slowly but surely to D-Day at the temple of Jerusalem.

In fact, the day the Christian Church officially started, membership was 120, out of a total population of 4 million at the time. Today, that number is in the billions, and the original purpose is ALMOST accomplished, making the Christian church the most amazing institution of any kind the world has ever known! But... it all started with a strategy seemingly laid out by Christ Himself and subsequently executed, even to this day, by the powerful ministry of the Holy Spirit. This unique, present ministry of the Holy Spirit is what sets Christianity apart from everything else... including ALL other religions, period. Now, we have the background, how can we relate this to effective prayer?

- Start by picking your 'niche'... a situation in your life... that you desperately need God's help with.
Don't try to solve all problems at once.
- Then go ahead, and use the specific Scriptures, techniques, and prayers I'm going to show you in this study.
- Be passionate and aggressive about it.
- It would help if you can connect with the right people network (online or offline), say those who understand this concept, have a passion for helping people, and have a verifiable track record of successfully applying this concept.
- Once you can see results, give thanks to God; move on to the next problem and apply the same technique all over again. Most Christians NEVER do this. They've been taught to do 'vagabond' praying all their lives – jumping from one prayer to another, often within seconds. If you're doing this...

STOP!!!

It is a complete waste of time and effort.

If you do NOT commit to this strategy ... or a variation of it... **this time next year** (God forbid) you may still find yourself stuck with the crisis you're facing today, or worse. God forbid, you may even end up with **these 5 problems** that most Christians are facing today:

- You may be overwhelmed by life's problems, in an increasingly hostile and hyper-competitive environment.
- You may find yourself going after the wrong enemy
- You may not be able to figure out where things went wrong
- You'll definitely lack a step-by-step guide on how to address the issues of life
- You may end up wasting your energy in a vacuum and going around in circles

End Result?

Frustration, depression, feeling of worthlessness, low self-esteem, failure, stagnation, suicidal tendencies, mounting debts, broken relationships... the list goes on and on. How do I know this? Because I've been there. Don't let this be your testimony. **You CAN turn the tide today...** the choice is totally yours. And it's not as hard as you think!

What To Do

Remember Joannie? Remember how I first asked her to pick one pressing issue? I was using this D-Day strategy. It **ALWAYS** works, if you're trained to go about it systematically. That's why I offer training and mentoring resources to help take you by the hand, literally, from where you are now to your glorious destiny in Christ. In the next 3 chapters I'm going to reveal behind-the-scenes secrets that will fast-track you into the realm of the eagles – the secret weapons in the body of Christ – who have so honed their praying skills that many of them receive answers to their prayers “while they are still speaking.”

CHAPTER TWO PRAYER DNA SECRET #1

Identify The Blue Shirts

“The lamp of the body is the eye. If therefore your eye is single, your whole body will be full of light.”

Matthew 6:22 Now, we're ready to go into the first secret of instant prayer answers. It is a secret so powerful it can work a profound change in your prayer life... and in every other area of your life. The secret is remarkably simple. In the next 60 seconds, it will empower you to open your eyes and see the world in a new way. It will let you uncover many of life's treasures hiding in plain sight, and can be used to obtain answers to your prayers more easily and quickly.

I call it...

The Secret Of The Blue Shirts

Let's imagine that you and I are sitting in a large stadium, watching a baseball game on a sunny afternoon in mid-July. I say to you, “Friend, look around the stadium. Take a good look and then close your eyes.”

You do so.

Eyes closed? Okay.

I then ask, “Friend, how many blue shirts did you notice?”

You think for a moment and reply, “Why, I really didn't notice any. I was looking at the crowd.” Just what I thought. When it came to noticing blue shirts your eyes were wide open but you were still asleep. Alright, a second chance. Scan the crowd again, but this time, look for the blue shirts. You do so and suddenly notice more blue shirts than you can count. Instantly, you have just experience a quantum leap in your ability to perceive blue shirts. That's cool, you think. But why is this such a powerful secret for praying effective prayers? Simple.

For the words, **blue shirt**, substitute **divine provision**

Or divine health

Or blissful marriage

Or favor with boss

Or new opportunity that will make great profits

Or product that will make you rich

Or salvation for loved ones

Or spiritual gifts

Or career of your dreams

For each of the things mentioned here (and every other need you might think of) there are specific promises of God in the Scriptures attached to them. If God has promised, then you need to find the promise and then use it as a springboard to “pray in” what you need.

Promises, Promises, Promises

There are about **7,487 promises** in the Bible, and you must be able to identify the ones you want. If you open to Psalm 37, there are **40 promises** in this Psalm alone!

You won't likely stumble across any of them by just staring at the Bible, or reading it out of a sense of duty – mechanically. But you will spot them unfailingly once you look specifically, exclusively and persistently for each. “Seek and you shall find” is one of the best known verses of Scripture. But it works only when you seek for ONE thing specifically, exclusively and persistently.

This is why The Secret of the Blue Shirts takes a minute to learn and a lifetime to master.

The problem is, we all want many things AT ONCE. Life is so rich and enticing, we flit from light to light like moths at a carnival. We pray for not only blue shirts. We desire for whole wardrobes, awash in a peacock's palette of colors, and we pray for them all simultaneously.

But as you saw in the stadium of your mind, God reveals precious things one at a time. To find a blue shirt, you must pray for a blue shirt and only a blue shirt, and keep praying for a blue shirt until you get one. Then you can move on to pray for yellow shirts, or whatever you desire in life.

So, Friend, what “blue shirt” should you be praying for? What do you think is the one thing that could most easily turn your life around?

Decide what it is, then start looking for the promise in Scripture. And don’t close your Bible until you find it.

Why?

Because...

To reach a destination, you must first have one.

Please pay close attention here. In God’s economy, the most important ingredient for getting your prayers answered is clarity – clarity about what you desire... clarity about the Scriptural promise backing it up.

Remember the man called Blind Bartimaeus in the Bible? He was calling on the Lord Jesus and asking for His ‘mercy.’

But there are so many kinds of mercy in the Bible. Jesus had to ask him what he wanted, specifically.

As soon as he said he wanted his eyes to open... **BOOM**, he had it!

Put simply, when you’re crystal clear about what you want... and you can attach it specifically to God’s promise in Scripture, you’re HALF WAY there.

Not quite there yet...

Let take a great example from the Bible... that of Abraham. He received from God the promise of a son. Many, many years later he was still waiting for its fulfillment. God had to ‘appear’ to him in order to take him step-by-step to this next level I’m going to show you.

By the way, this is why I recommend that you need someone who understands these key secrets to take you by the hand, step by step, and walk you through the process – NOT, as is presently the case in most churches today – a super-anointed person of God to lay hands on you and maybe even push you to the floor!

This is pre-school level of spirituality!

I have a dear friend who insists on remaining at this level... unfortunately he finds himself constantly ‘falling under the anointing’ with a load of problems and rising up with even more problems.

The Mind Equation

Your Mind = Camera + Transmitter

Your mind is first and foremost a camera... it takes sharp photographs of what you see (and records what you hear), turns all these into images and files them away, without you knowing it!

Now, when you take the promises of God, meditate on them, and deliberately translate them into pictures of victory in your mind, and then envision this success vividly and repeatedly, then as you pray, everything God created will ‘conspire’ to help you get what you pray for.

Stop! Please re-read that last statement and allow it to sink in for a moment.

Moving on...

During prayer, your mind begins to work like a powerful transmitter, broadcasting the images that have been previously filed away.

As you broadcast the promises of God already imaged in your heart with CLARITY, the whole of God’s creation is eager to do their part to bring into existence exactly what you want to experience. Angels of God respond to your call. Allies assemble. Assistance arrives. Opportunities materialize... often from the most unexpected sources.

The Bible makes it clear that the reverse is also true. When you broadcast worry and fear, or images of hate, hostility and anger, there are some dark, unseen forces that will also respond to your call, and you will attract this to yourself as well.

This is why the Bible makes these powerful statements about the heart (heart and mind are used interchangeably, in many instances in Scripture)

Keep your heart with all diligence, for out of it spring the issues of life. Prov. 4.23

For as he thinks in his heart so is he. Prov 23.7a

My son, give me your heart, and let your eyes observe my ways. Prov. 23.26

For out of the abundance of the heart, the mouth speaks.

Matt. 12:34b

*Finally, brethren,
whatever things are true,
whatever things are noble,
whatever things are just,
whatever things are pure,
whatever things are lovely,
whatever things are of good report,
if there is any virtue,*

*and if there is anything praiseworthy –
meditate on these things.*

Philippians 4:8

You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You.

Isaiah 26:3

And do not be conformed to this world, but be **transformed by the renewal of your mind**, that you may prove what is that good and acceptable and perfect will of God.

Rom 12:2

Back To Abraham

When God appeared to him in Genesis 15 he complained that he was still childless, his prayers didn't seem to be working, in spite of the promise he'd received directly from God.

Then God asked him to **FOCUS** with **CLARITY** on a specific object (the stars) that would imprint His promises strongly in his spirit, on his nerves, brain cells and every fiber of his being. From then on, it was only a matter of time before the answer appeared.

The key is to realize that God has given you the free will to broadcast whatever signals you wish, and in so doing, write your ticket, and bring into your life exactly what God has promised.

And the most potent form of this type of 'spiritual broadcasting' remains mankind's greatest untapped resource – prayer.

Armed with this awesome principle, we're now ready to advance to the next level. It is not understanding this next secret that has caused so much consternation about prayer in particular, and Christianity in general today.

CHAPTER THREE

PRAYER DNA SECRET #2

Activate Your Prayer DNA

*For God may speak in one way, or in another,
Yet man does not perceive it.*

In a dream, in a vision of the night,

When deep sleep falls upon men,

While slumbering on their beds,

Then He opens the ears of men,

And seals their instruction.

Job 33:14-16 NKJV

A few months back I was shocked by something I saw on Court TV. A woman somewhere in Michigan dragged her pastor to court, claiming damages for unfulfilled promises.

What happened?

She's been faithfully paying her tithes and giving offerings in the church only to discover that instead of becoming richer (as the pastor had promised), she was getting poorer and poorer. Well, the pastor in his defense said he only told her what the Bible said and, if she had any problem with that, she should hold God, not him, responsible!

The blind leading the blind... as Jesus said.

My concern is that this type of scenario might become more and more common if Christians are not properly trained on how to appropriate the promises of God through aggressive and passionate praying. Sometimes, I even feel there might be a conspiracy by some church leadership to keep their members weak and ignorant... so that they'll always be dependent on their leaders for even the most basic spiritual needs! I don't know this for sure... and I hope I'm wrong!

Could this be one of the reasons that psychic studios are springing up almost everywhere you look?

Anyway, right here, you're going to learn a little-known secret that will turn you from victim to victor, from cry-baby to divine champion, and from worry bag to problem solver.

Onward.

Prayer DNA Revisited

Earlier I said that when God wants to deliver spiritual information to people who have not yet developed the ability to hear Him directly, He spiritually opens their 'ears' when they are asleep and imprints or seals the information in their spiritual DNA.

I also said that this information contains God's step-by-step guide that you can use to create and maintain all-round spiritual, emotional and physical health, as well as abundant life and relationships.

The opening Scripture of this chapter confirms that point.

But for the precious few who have gone beyond this pre-school level (really few, it seems) things are dramatically different.

Many of them speak with God 'mouth to mouth.' As they have a conversation with God, His instructions are transferred directly to them. They have this huge advantage that these instructions are not encoded... it is in plain text and ready to use.

Here's how the Bible puts it: *Your ears shall hear a word behind you, saying, "This is the way, walk in it," whenever you turn to the right hand or whenever you turn to the left. - Isaiah 30:21*

I pray ALL Christians will aspire to get to this level in Jesus name. Sadly, so many Christians have been led to believe that once they give lives to Christ, all their problems are over, without their having to do anything further. Because of this singular error, cases like the lady who sued her pastor for tithes may soon become commonplace. The Bible says: *Therefore my people have gone into captivity, Because they have no knowledge. Their honorable men are famished And their multitude dried up with thirst. - Isa. 5:13*

You may be in captivity (without knowing it) if you find yourself:

- Having a hard time living the Christian life
 - Finding prayer difficult (this one is a big give-away)
 - Forcing yourself to read the Bible
 - Finding fasting impossible
 - Getting angry at the slightest provocation
 - Having difficulty finding a marriage partner
 - Having friends that appear as enemies
 - Having enemies that appear as friends
 - Having unstable marriage
 - Having uncontrollable sexual urge
 - Having strange sicknesses (often running in the family)
 - Having thoughts of suicide
 - Feeling empty and abandoned
 - Addicted to any substance – drugs, alcohol, food
 - Living in the grip of fear
 - Having sex in the dream
 - Eating in the dream
 - Living from paycheck to paycheck
 - Children who are not interested in the gospel
 - Spouse who hates or ridicules the gospel
 - Unable to have children (or losing them prematurely)
 - Having unexplainable business failures
 - Having dream of being pursued (by animals or armed persons)
 - Having no dream at all
 - Always dreaming of seeing water
 - Recurring memories of childhood abuse
 - Deviant sexual behavior
- (This list is by no means exhaustive)

These issues can only be addressed by targeted prayers, the type we prayed during the Prayer Marathon (more on this later).

You see, what happens when you pray targeted prayer points 'created' from Scripture is that the Scripture gets 'stamped' indelibly on your being...imprinting it on your heart, mind and body. This isn't just an empty experience. And as you pray, ***your Prayer DNA will be activated.*** This in turn will ignite the fire of the Holy Spirit... and a spiritual cleansing will take place... and you'll begin to acquire the ability to decode and apply God's divine prescription for your health... or finances... or relationships... or whatever happens to be the challenges you're facing. If you do this often enough, you will soon have a deep 'inside out' understanding of what it takes and what it feels like to experience spiritual freedom... and this is the forerunner of financial and emotional freedom. **It is important that you learn this "targeted" manner of praying. It is important that you pray each point aloud for at least 3 minutes, with your attention fully concentrated.** Again, When you pray aloud, you are internally imprinting those prayers in your spirit, on your nerves, muscle fibers, brain cells and every fiber of your being. Unfortunately, this is one of the many disciplines that most Christians will not suffer. That's too bad for them. So many people who want to be like Jesus... to be 'highly anointed' are so lazy. **And they wonder why their tithes and offerings have failed to bring in the promised harvest...** Or... why the divorce rate among Christians is so high... **Or even...why cancer seems to have found a new home in the Christian community.**

I recently heard of one church where 40% of members are suffering from one form of cancer or the other! Talk about folks not knowing their rights in Christ, the Great Physician... reminds me of the old adage of a man living by the bank of a river and washing his hands with spittle! Your case will be different if you're **not too sophisticated**, too 'above' this sort of praying.

A Modern Day Phenomenon

Let me tell you a little tale about a man I very much respect who was not above doing this sort of thing. He wanted to reproduce the miracles of the Early Church in the book of Acts of the Apostles, and so what he did was take the Scriptures and pray them with his own voice just as I am instructing you to do. **He did this for a long time. Now here is something else he took the trouble to do: Since one of the things he wanted to do involved helping others to create the same miracles on their own, what he did was write down step by step what it takes to do it, plus the actual prayer points for each specific situation.** Well, naturally, before he was finished he had an internal 'deep-rooted 'cellular' knowledge of the process of praying the kinds of prayers that get the kind of results we read about in the Bible. He also knew what it took to help others experience miracles in their lives like the folks in the Early Church. **Did all this pay off? Definitely. This man's name is Dr. Daniel Olukoya and his books 'Pray Your Way To Breakthroughs' and 'Prayer Rain' are among the best selling prayer manuals of all time. Plus, his once-a-month prayer meetings attract over half a million participants every single time!**

Prayer DNA Secret #2 – you have to activate your Prayer DNA... by learning to pray by praying, not by talking about prayer. I guarantee you a powerful transformation in your life... if you'd apply the principles I'm sharing with you now... and pray the prayer points in this book for just 21 days. In the next chapter, you will learn why all those prayers you prayed in the past did not work. This is so simple it will amaze you!

CHAPTER FOUR

PRAYER DNA SECRET #3

Observe The Rule Of 18

Then He spoke a parable to them, that men always ought to pray and not lose heart, saying: "There was in a certain city a judge who did not fear God nor regard man. Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

Then the Lord said, "Hear what the unjust judge said. And shall God not avenge His own elect who cry out day and night to Him, though He bears long with them? I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

Also He spoke this parable to some who trusted in themselves that they were righteous, and despised others: "two men went up to the temple to pray, one a Pharisee and the other a tax collector. The Pharisee stood and prayed thus with himself, 'God, I thank You that I am not like other men -- extortioners, unjust, adulterers, or even as this tax collector. I fast twice a week; I give tithes of all that I possess.' And the tax collector, standing afar off, would not so much as raise his eyes to heaven, but beat his breast, saying, 'God, be merciful to me a sinner!' I tell you, this man went down to his house justified rather than the other; for everyone who exalts himself will be humbled, and he who humbles himself will be exalted." Luke 18:1-14 NKJV I reproduced the Scripture above to clearly illustrate our Prayer **DNA Secret #3**, which is:

Observe The Rule Of 18

"18" referring to Chapter 18 of the New Testament book of Luke. Jesus considered this secret so crucial to getting answers to prayers that He had to use two uncommon parables, back to back, just to get the point across. Obviously, there are many lessons to draw from this text but what I want to draw your attention to can be summed up in these two words:

Passionate Persistence

In the first story, the widow was so persistent, even under very impossible circumstances, that the ungodly judge just had to grant her desire.

Note Jesus' commentary about His elects who engage in day and night praying. We've discovered that the most powerful prayers happen at the midnight hour – there's simply nothing out there that comes close, if the praying is done with passion, persistence and intensity.

In the second story, the tax collector was so passionate (didn't he really get worked up there, beating his chest and all that) and humble that his prayer had to command immediate divine attention!

Passionate Persistence in Prayer will **ALWAYS Bring Results, often within a matter of days!!!!**

Please remember that. Here's what president Calvin Coolidge once said, "**Nothing in the world can take the place of persistence.** Talent will not. Nothing is more common than unsuccessful men with talent. Genius will not. unrewarded genius is almost a proverb. Education will not. The world is full of educated derelicts..."

Make Persistence in Prayer your Job Description

Let's see now. Did you bother to participate in the prayers of the last Prayer Marathon? Did you put it off for later? In my experience only 5% of those who come across this teaching ever bother to do so at first... But when I share with them the 101 powerful testimonies that came in just 2 weeks into the program (and are still coming in as I write) , nearly everyone wants to pray them.

Why's that?

Because hidden within these prayer points are the forty prayer points that an individual prayed and the LORD rewarded him with the kind of Scripture we call "the switch." This type of Scripture, usually a short passage in the Bible, serves to usher in **super-abundant prosperity...** or cause impossible sicknesses to be healed... or **turns some impossible relationships around...** and the list goes on and on. Our friend was praying and fasting for 40 days (yes, you read that correctly) and the LORD gave him this Scripture in Psalm 2:8;

"Ask of Me and I will give you the nations for your inheritance, and the ends of the earth for your possession." Well, "ask" he did, and the LORD opened the door of a huge industry sector to him – the wireless communication business. His company is now a global corporation in four continents worth billions of dollars. He was named one of Time magazines Top 100 most influential persons of 2002, along with other famous names as **Oprah** and **Michael Dell**. His name is Strive Masiyiwa. Pretty amazing especially when you consider that he is not even in North America or Europe... he did his praying from far-away South Africa, his country of residence.

There's a prayer answered every minute... will yours be next?

CHAPTER FIVE

The Prayer DNA e-Course

There are deep secrets to successful praying. Most Christians don't know them... most pastors don't know about this, that's why most of them never receive answers to the prayers they pray. **We all have a Prayer DNA which is like a "success blueprint" already ingrained in us. It comes from God.** The question is: Do you know the prescription for your victory and success that God has imprinted in your DNA? Do you know how to trigger this information through intense, passionate and persistent prayer?

Do you?

To date, I've written five books explaining these long-neglected prayer secrets. Just last month (December 2005) I decided to prove to my readers that these concepts work ALL THE TIME. It's not a case of trial and error. So I put a few of those principles to work. Out of the huge store of proven prayer points that I have collected over the years (my spiritual library contains over 21,000 battle-tested prayer points for every conceivable situation), I pulled out 664 of them for a 21-day Prayer Marathon. Literally, within days the testimonies started coming in thick and fast. Those who participated fully sent in testimonies of new cars, new houses, debts cancellation, sicknesses healed, marriages restored, spiritual life revived, etc.

I have even selected just 101 of those praise reports... and compiled them to prove that the God of the Bible is still in the business of answering the prayers of HIS people... and the glory belongs to HIM alone! I also did something else. I re-designed my explosive 7-part e-course on how to pray and release financial blessings. In it you will learn how to completely recondition your financial life through targeted and focused praying. For many people the change will be immediate and permanent.

This is not a generic, one-size-fits-all program... It is carefully customized... just for financial breakthroughs.

Most of our participants who follow our prescription actually experience a turnaround breakthrough within the 7 weeks' program. Others take longer.

Praying To Bring Honey Out Of The Rock

Why did I prepare this program?

Money will always be an important part of your life, whether you accept or not. Money determines, in most instances, the quality of your life. **You can suffer**

the miseries of financial problems, or you can use targeted praying to solve those problems... the choice is yours.

Far too many people (including Christians who love the LORD) live from day to day, from paycheck to paycheck.

They are just surviving, without the joy that can come from the 3-dimensional kind of prosperity the Bible talks about in 3 John 2. Most adults consider money problems their biggest cause of stress. The constant worry about money is debilitating. Worrying provides no known benefit and cannot change what will happen tomorrow-but it can weaken your faith, cripple your actions, destroy your peace of mind, and make you feel powerless.

Money issues are a major reason for the breakup of marriages.

Money problems affect us all at one time or another, and many of us all the time. Since money problems can ruin our health, cause distress in our personal relationships and our careers, and destroy our happiness and our lifestyles...

PRAYER MARATHON

Phase 1

Before You Begin

"But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions." Obadiah 1:17 KJV

I want to welcome you in the name of our Lord and Savior Jesus Christ to this year's Prayer Marathon. This is a special program that the LORD has designed to prove to His people that He still answers prayers. And even if you cannot point to a single, tangible prayer that God has answered this year, this program is set to change all that! The material you will see in this program was put together over a period of 77 years by veteran prayer warriors who were directly commissioned by the Lord Himself. You should count yourself blessed to be a partaker of the secret things of God at a time like this. To obtain these prayer points took some dedicated servants of God 40 days of fasting – without food and water – many times over, just like Moses in the Bible. As I write this, one of the servants of God used to propagate and keep these secrets alive in our generation has been fasting and praying every single day for the last 31 years! You see, **God has carefully arranged for you to be blessed** by their labor of love in this time and season. So please do not take anything for granted.

3 Types of Prayer Points

There are 3 types of prayer points covered here. Let's look briefly at each of them.

Type 1 Prayer Points

These are foundational prayer points. They are targeted at the foundation of your life. This is what the Scripture says about foundations in Psalm 11:3: "If the foundations be destroyed, what can the righteous do?" The reason most Christians are not experiencing victory in their life is because their foundations had been destroyed, mortgaged, sold out and defiled generations ago. And like the foundation of a building, it is hidden and out of sight. So most people don't really know if they have a good spiritual foundation or not. Foundational prayer points go right behind the scenes, back to many generations, to uncover and repair anything in the past that could still be having some negative effects on your life. They are fearsome and battle-tested prayer points that are capable of changing your destiny for the best in the twinkling of an eye... if you pray them according to instructions and with the required level of aggression.

Type 2 Prayer Points

In the Old Testament book of Micah 7:6b, we read: "... a man's enemies are the men of his own house." Jesus confirmed this in Matt.10:36 when HE said: "*A man's foes shall be they of his own household.*" He is talking here about unseen spiritual powers that operate along ancestral lines in each family, stealing people's blessings, passing down incurable diseases, failure, divorce and poverty through evil means from one generation to another. Type 2 prayer points are targeted at these invisible powers responsible for perpetuating evil family patterns, mostly behind the scenes undetected. Many have been led to believe that once they got born again these powers will just melt away. Of course, reality proves that is fantasy thinking. You have to appropriate what Jesus did at Calvary to deal with these stubborn powers. And you have to do it for yourself. Your pastor may not have the time or spiritual knowledge to do it for you. And that's what Type 2 prayer points are designed to do.

Type 3 Prayer Points

If you look at the opening Scripture in Obadiah 17 above, you'll discover that before a child of God can enjoy God's blessings there are 2 important things that need to take place.

- (i) deliverance
- (ii) holiness

That is a far cry from some of today's fantasy teachings which give the false impression that the moment you confess Jesus as Lord, all the promises of the Bible are yours to enjoy. The reality has been this: It is only after (i) and (ii) above are properly taken care of through the type of aggressive prayer you'll be praying here, that this wonderful Scripture in Psalm 84:11 begins to manifest: "For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will he withhold from them that walk uprightly."

12 Things to Note Before You Pray

1. You are not praying against any human being, dead or alive. Your prayer points are directed at the spiritual entities (which you may not even know or see) listed in Ephesians 6:12
2. You must have prepared yourself as I advised in my pre-marathon emails – through repentance.
3. During this prayer program, no matter the level of provocation, do NOT get angry. Be of your best behavior towards friends, family and even those who do not like you.
4. Commit to reading through at least 2 books of the Bible during this period. I recommend the books of Isaiah and Revelation. And meditate upon those scriptures to keep your spirit-man razor sharp.
5. Each prayer point should be prayed for between 2 and 5 minutes. Do NOT just read them. Pray them repeatedly or with variation as led by the Spirit of God. And pray in the Spirit often.
6. Get a notebook and write down all your dreams, visions and revelations during this program.
7. Pray Type 1 and Type 2 prayers at the midnight hour for best results. During the day, pray Type 3 prayers (either A or B). And please pay close attention to this (it might sound mysterious but it is very important). If you can pray Type 1 and 2 prayers in your first language, please do so. Your first language is the language of your birth. If not, then use your second language - English or whatever that happens to be.
8. If you are praying in a group, let one person call out the prayer points and then everyone will pray in unity until the one leading says, "in Jesus' name we pray." Then everyone should shout "Amen." Move to the next prayer point.
9. Begin each session with passionate praise and worship for at least 10 minutes.
10. Follow praise and worship session with the confessions below. (Please note that during this worship session, you can kneel, or prostrate before the Lord. But as soon as you start the confession below, you should be on your feet like a warrior). If you are feeling tired you can sit down.

BUT DO NOT KNEEL AT THIS STAGE!

You are going into battle. Remember Gideon and his 300 soldiers!

11. First 3 days, fast like Esther if you can (if you have a medical condition, seek the advice of your doctor). Other days fast from morning till 12 noon or 3pm or 6 pm or 9 pm as the Lord gives you the grace.

12. Finally, pray each prayer point loud, repeatedly, aggressively, and with violence. The Bible assures us in Matt.11:12, "*And since the time of John the Baptist until now the kingdom of heaven suffereth (allows) violence, and the violent take it by force.*"

Start Every Session Like This:

1 Praise and worship

2 Make the following powerful confessions:

Deut 7:14-15: Thou shalt be blessed above all people: there shall not be male or female barren among you, or among your cattle. And the LORD will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon thee; but will lay them upon all them that hate thee. **1 John 4:4:** Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world. **Col 2:14-15:** Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; And having spoiled principalities and powers, he made a show of them openly, triumphing over them in it.

Gal 3:13-14: Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.

Phil 4:19: But my God shall supply all your need according to his riches in glory by Christ Jesus. **Isa 49:24-26:** Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob. **Ps 4:1-5:** Hear me when I call, O God of my righteousness: thou hast enlarged me when I was in distress; have mercy upon me, and hear my prayer. O ye sons of men, how long will ye turn my glory into shame? how long will ye love vanity, and seek after leasing? But know that the LORD hath set apart him that is godly for himself: the LORD will hear when I call unto him.

Stand in awe, and sin not: commune with your own heart upon your bed, and be still. Selah. Offer the sacrifices of righteousness, and put your trust in the LORD. There be many that say, Who will show us any good? LORD, lift thou up the light of thy countenance upon us. Thou hast put gladness in my heart, more than in the time that their corn and their wine increased. I will both lay me down in peace, and sleep: for thou, LORD, only make me dwell in safety.

Rev 12:9-11: And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

3 Follow up with this personalized confession:

By natural heritage I was dead in trespasses, for I was brought forth in iniquity and conceived in sin in my mother's womb; and according to the law, I was preserved for the wrath of God that was to be revealed upon the children of disobedience. But now I am God's handiwork recreated in Christ Jesus, born anew that I may do those good works which God already predestined for me. Through the blood of Jesus Christ, I, who was once far away, have been brought near to God. I am now engrafted in Christ my Messiah... I have become a new creature altogether. The previous moral and spiritual condition has passed away. Behold, the fresh and new has come. Therefore, since I am declared righteous and given a right standing with God through faith, I have peace with God through Jesus Christ. Now, having been justified by the blood of Christ, I shall be saved by Him from the wrath to come. The person who is united to the Lord becomes one spirit with Him. Therefore, there is now no condemnation for those who are in Christ Jesus, who walk not after the dictates of the flesh but after the dictates of the Spirit. For the law of our new being, which is the law of the Spirit of life in Christ, has freed me from the law of sin and death. I am separated by God through the redeeming power in the blood of Jesus Christ, the author and finisher of my faith, from every tie with ancestral covenants, curses and guardian spirits. My citizenship is now in heaven. I belong to the household of God. My life is hidden with Christ in God. I am washed in the blood of Him who loved me and gave His life for me. He has called me with a holy calling and by His name I am called. As it is written: For it is He who delivered and saved me and called me with a calling in itself holy and leading to a life of consecration, a vocation of holiness. He did it not because of anything of merit that I have done, but because of His own purpose, and grace which was given me in Christ Jesus.

As it were, I am now cut off from evil consequences. I am spiritually and physically separated from their do's and don'ts. I no longer belong to any generation upon whom God could visit the sins of their fathers. Christ has redeemed me from such curses of the law. I cannot labor any longer under the weight of such yokes and burdens; I have received the yoke of Christ which is easy and His burden which is light. Therefore, every interference of household wickedness and ancestral spirits in my life and my ministry is a transgression against the covenant promises of God concerning me; For it is written: "touch not my anointed and do my prophets no harm." For this reason, as the God of heaven lives, let every manifestation and exhibition of rebellion from the ancestral and family spirits receive the undiluted anger of my God who is a consuming fire. For it is written, it is a righteous thing for God to repay tribulation to those that trouble me. Therefore, let every association of wicked spirits assembled against me be shattered by God. Let their grip on my life and family be broken. Let their projections return to them. Let their plots, schemes, maneuvers and operations receive divine frustration, and let their wickedness come to an end in my life. I reject every evil family and ancestral transfers. I reject and renounce their evil names. I break the power of any evil dedication placed upon my head, every pledge, vow, promise or covenant ever made on my behalf with these spirits. I renounce and reject them and cut myself off from them with the blood of Jesus Christ. Henceforth, let no ancestral or evil family spirit have any hold on me. Let them not have any entry point into my life, for now I bear in my body the marks of the blood of the Lamb of God who has paid the price for my life and has bought me to belong to Himself eternally. Amen.

PRAYER MARATHON

Phase 2

"But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions."

Obadiah 1:17 KJV

I want to welcome you in the name of our Lord and Savior Jesus Christ to Phase II of our Prayer Marathon.

In this Phase II, we move into a hot theater of battle... where the spoils of war include, among other things, an abundant release of finances that had been stolen from God's people and caged for ages... leaving most Christians wondering whether God really answers prayers when it comes to money!

Our strategy for the next 7 days is going to be slightly different than what we used in Phase I.

So please read this carefully...

There are some prayers here that the enemy does not want you to know about. Because you will definitely find freedom by praying them passionately and aggressively ... especially financial freedom.

You need serious personal preparation to benefit maximally from the prayers of the next 7 days.

These prayers are so important that you must gird your loins and put on your battle gear... as I welcome you to the battle arena where all tested soldiers of Christ fight face to face with the spirits that have kept men and women under bondage for centuries.

To start with, you are going to take some violent prayer points.

1. I plead the blood of Jesus over every department of my life and family in the name of Jesus.
2. (Please lay one hand on your head and the other one on your chest, while you take this particular prayer point... in a manner you've never prayed before) I dismantle every satanic investment upon my life in the name of Jesus.
3. I ride on the horse of war in the name of Jesus
4. Oh Lord, let your arrows be strong in my hands to pierce the heart of the enemy in the name of Jesus
5. Any satanic linkage to any body of water, break in the name of Jesus (please pray this prayer with all your energy if you have been dreaming of seeing water regularly).

Praise the Lord!

Let's briefly examine why we are taking off like this...

You see, we are taking the battle to the stronghold of the enemy - **the waters**. That's where most of the blessings of the people of God have been captured and caged.

By a group of wicked entities called water spirits.

They have dominated the lives of their victims for ages. They have remained unchallenged for a very long time. If you talk about water spirits in some quarters some people will ask you to be cautious, lest you step on the toes of these "powerful" spirits. It looks like they've been elevated above measure, thanks to the ignorance of the modern man. "Water spirit or no water spirits, the Bible states clearly: "At the name of Jesus, every knee should bow." *Jesus has defeated them all.*

Why should you pay attention to these prayers?

Because the virtues of many people including Christians are buried in the marine (water) kingdom. ***Out of ignorance.*** Unknown to many, these entities in the water control trade and commerce. Ezekiel 20 sheds more light on this. They control the economy and the flow of money. You see this in Revelation 17,18. They are in charge of sexual perversion. They introduce most of the fashion that you see today. They control cosmetics and make-ups. They supervise the production of destructive things like alcohol and drugs. And they originate some of the most despicable blasphemies you hear these days... such as the Da Vinci Code.

The "Da Vinci Code" is nothing but the rallying cry of marine spirits against the Gospel of Jesus Christ

Those who know a little bit of history would recognize that the central message of this evil book has been around in one form or the other since the 9th century AD. This time around, owing to the ignorance of most modern Christian, they have repackaged these fantasies into a huge bestseller... and there's even a movie planned for the summer of 2006!

This is just one example of how they apply evil wisdom in the real world.

Why?

The keywords are domination and control

They seek to control the destinies of men and women... discourage them from worshiping the ONE TRUE GOD... so they can steal God's blessings from them, and leave them desolate, frustrated, and even suicidal.

Remember the Bible says their assignment is... ***to steal, to kill and to destroy.*** And they are doing a good job, if you ask me!

These are the tell-tale signs that a person is under the grip of these powers:

- **such a person would have a hard time living the Christian life**
- prayer will be difficult
- **fasting will be impossible**
- gets angry under the slightest provocation
- **dreams of water will be common**
- difficulty finding a partner
- **unstable marriages**
- uncontrollable sexual urge
- **inexplicable hindrances to progress**
- strange sicknesses

You see, water (or marine) spirits are invisible to the physical eye. However, they come in human form on errands of destruction. And once a person has had sex with them... or was donated to them through (unbroken) ancestral covenants...

It will be really difficult for that person to prosper... no matter the amount of scripture they quote!

Make no mistakes about it:

Marine spirits prevent people from serving the true GOD. They are responsible for all the worldly churches you see around... no sin or repentance is ever mentioned in such places.

These spirits are extremely stubborn. And extremely beautiful. They have the anointing of seduction. Their sexual appeal is unparalleled. They are addicted to jewelry.

Health problems like cancer, migraine, heart problems, problems with male and female reproductive organs are all from the marine world. Marine agents are fond of appearing all dressed in red.

They originated the term, "dressed to kill."

They can exchange babies in the womb. They deposit strange things in people's bodies such as serpents. Some people complain of feeling things moving about in their bodies. They inspire sexual dreams. They make people dream about dogs. They meticulously "hatch" up schemes to lure ministers of God into sex traps... just to steal their anointing and pollute their entire ministries!

You need to be praying aggressively for your pastors... because they are in the front lines of this battle!

Let me put numbers to what I'm saying here.

In the US alone there are:

- 15,000 stores selling pornographic materials

- 900 theaters showing pornographic movies

In other words, there are more pornographic stores than there are McDonalds!

And who is responsible for all this? You guessed it... Marine Spirits!

Why am I taking time to explain this to you?

Because victory especially in finances will be at best elusive for most Christians until they learn to deal with these things using our God-given authority.

For you to be an overcomer in the area of finances, you must learn to rise up like a warrior against every spirit from the water that is militating against your life.

Before I give you the divine strategy for victory against them, let's briefly see how Moses did it in Egypt.

The Great Example of Moses

When God decided to deal with Pharaoh, the first assignment He gave to Moses was to deal with the water spirits in the land of Egypt. Yes, the very first plague was released upon the waters of Egypt (see Exodus 7).

You see, Pharaoh had an evil agreement with the River Nile. He was an agent of marine spirits... he went there to worship them regularly.

That's where Moses caught up with him and fired the opening shot!

When you carefully read the account of that encounter, you'll notice that when Moses began to turn on the heat, Pharaoh actually permitted them to go... but without their wealth!!!

He said they could go if they left everything behind.

It's the same "deal" that the spiritual Pharaoh who seeks to control wealth is still making to Christians today... and it is:

You may be born again if you are willing to sacrifice your blessings... by leaving them behind

Moses' response is instructive. Let's read it together. It's in Exodus 10:9:

"And Moses said, "We will go with our young and our old; with our sons and our daughters, with our flocks and our herds we will go, for we must hold a feast to the Lord."

I feel sorry for Christians who feel it is a sign of holiness to live in debt and poverty... leaving their God-given wealth for Pharaoh to enjoy.

I made up my mind a long time ago when I really understood what Moses was saying here and it is this:

We are ready to engage the enemy in battle to secure the full benefits of our salvation.

Are you?

Then your prayer campaign for financial abundance must necessarily start here.

Strategy For Victory

What is the divine strategy for disgracing them and releasing our finances from their strongholds?

1. **Raise a lamentation against them.** This is different from ordinary prayer. If you prayed Phase I prayers well, you should be ready for this type of praying.
2. **Spread prayer nets to trap them.** What is a prayer net? It is an aggressive prayer in which you pray at regular intervals in such a way as to leave no breathing space for them to escape. The prayer against marine spirits is not a 5-minute prayer, especially if someone has already fallen into their traps.
Why do you think most churches have nothing to show for all the noise they are making? Marine spirits have taken over; they are on the pulpits preaching; they are in the choir singing; they are on church boards; they are everywhere... they are strategically positioned to discourage any program that has to do with aggressive prayer... because that's the **ONLY** thing that can smoke them out and release their captives!

It is dangerous to sit in a church that does not teach you to pray!

3. **Use the sword of the Lord (skillfully) against them.** The scripture below is devastating to water spirits... and they are scared of it.
4. **Use special weapons from God's armory in prayer** e.g. hailstones, coals of fire, thunder and lightning, the blast of the Almighty.
5. Ensure that they don't have any investment (anything that cooperates with them) in your life.

THE BATTLE AGAINST MARINE SPIRITS IS A BATTLE YOU MUST WIN!!!

12 Things to Note Before You Pray

- 1 You are not praying against any human being, dead or alive. Your prayer points are directed at the spiritual entities listed in Ephesians 6:12

- 2 You must have prepared yourself as I advised in my pre-marathon emails – through repentance... and gone through Phase I of the prayers.
- 3 During this prayer program, no matter the level of provocation, do NOT get angry. Be of your best behavior towards friends, family and even those who do not like you.
- 4 Commit to reading through at least 2 books of the Bible during this period. I recommend the books of Isaiah and Revelation. And meditate upon those scriptures to keep your spirit-man razor sharp.
- 5 Each prayer point should be prayed for between 2 and 5 minutes. Do NOT just read them. Pray them repeatedly or with variation as led by the Spirit of God. And pray in the Spirit often.
- 6 Get a notebook and write down all your dreams, visions and revelations during this program.
- 7 Pray each day's prayers every 6 hours if you can. The midnight prayer is absolutely critical to speedy results.
- 8 If you are praying in a group, let one person call out the prayer points and then everyone will pray in unity until the one leading says, "in Jesus' name we pray." Then everyone should shout "Amen." Move to the next prayer point.
- 9 Begin each session with passionate praise and worship for at least 10 minutes.
- 10 Follow praise and worship session with the confessions below. (Please note that during this worship session, you can kneel, or prostrate before the Lord. But as soon as you start the confession below, you should be on your feet like a warrior). If you are feeling tired you can sit down.

BUT DO NOT KNEEL AT THIS STAGE!
 You are going into battle. Remember Gideon and his 300 soldiers!
- 11 Every day fast from morning till 12 noon or 3pm or 6 pm or 9 pm as the Lord gives you the grace.
- 12 Finally, pray each prayer point loud, repeatedly, aggressively, and with violence. The Bible assures us in Matt.11:12, *"And since the time of John the Baptist until now the kingdom of heaven suffereth (allows) violence, and the violent take it by force."*

Start Every Session Like This:

1 Praise and worship

2 Make the following powerful confessions:

Ezek 29:1-5: In the tenth year, in the tenth month, on the twelfth day of the month, the word of the LORD came to me, saying, "Son of man, set your face against Pharaoh, king of Egypt, and prophesy against him, and against all Egypt. Speak, and say, 'Thus says the Lord GOD:
*"Behold, I am against you, O Pharaoh king of Egypt, O great monster who lies in the midst of his rivers, Who has said, 'My River is my own; I have made it for myself.'
 But I will put hooks in your jaws, and cause the fish of your rivers to stick to your scales; I will bring you up out of the midst of your rivers, and all the fish in your rivers will stick to your scales.
 I will leave you in the wilderness, you and all the fish of your rivers; you shall fall on the open field; you shall not be picked up or gathered. I have given you as food to the beasts of the field and to the birds of the heavens."*

In the beginning God created man to subdue the earth and have dominion over all the fish of the sea, and over the fowl of the air and over every creature that moves upon the face of the earth.
 The psalmist also confirms this as he wrote that God has made man to have dominion over all the works of His hands; and has put all things under his feet. All sheep and oxen, yea and the beasts of the field, the fowl of the air, and the fish of the sea and whatsoever passes through the PATHS OF THE SEAS.
 The mandate every man lost to the devil through Adam's disobedience has been restored to us by Christ Jesus. I am a workmanship of God, recreated in Christ as a priest and king to reign here on earth.
Jesus Christ was made manifest that He might destroy the works of the devil and when He was going, He said greater works than He did I shall do.
 Therefore as I go into this prayer, I hold in my hand the victory Jesus Christ purchased on the cross at Calvary, when He made an open show of principality and powers. I take my position in Christ as one given power to become a son of God, even joint heir with Christ of the kingdom of God, to execute judgment against every form of disobedience exhibited against the knowledge of God.
Greater is He that is in me than any power on earth and in the seas. I am born of God and I have overcome the world with my faith.
 In faith, I hand over my battle to God. In faith, I come against evil strongholds in the waters. In faith, I overthrow every queen enthroned against me in the waters. In faith, I pollute your waters with the blood of Jesus Christ. In faith, I trample upon your serpents and scorpions in the name of Jesus. In faith, I bind you and I spoil your palace and set your captives free in the name of Jesus.
I announce that there shall be no reinforcement or evil reunion against me in the name of Jesus. I seal my confession with the blood of Jesus and I cover myself and my loved ones with the blood of Jesus. Amen.

 From Here, you can then proceed to the relevant section for the day!

Or are you listening to the half-truth that tithing is an Old Testament teaching that passed away with the law?

Another example:

Have you ever used your money to sponsor evil e.g. abortion, consulting with mediums, astrologers, diviners?

Are you self-centered and greedy for gain?

Or are you guilty of abandoning your marital and family responsibilities?

PRAYER MARATHON

Phase 3

“But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions.”

Obadiah 1:17 KJV

I want to welcome you in the name of our Lord and Savior Jesus Christ to Phase III, the concluding part of our Prayer Marathon.

***Congratulations...
for making it this far!***

And if you've been paying close attention, you would have noticed a deliberate progression during this marathon.

- *In Phase 1, we fought the battle on land*
- *In Phase 2, we shifted our attention to the waters*

In this Grand Finale – Phase 3:

**We are moving to the heavens...
the ultimate theater of victory!**

So you might say, we have been following a triangular pattern of warfare.

**In order to release our destinies from captivity,
and to possess our possessions in Christ**

Again, this is not the type of message you hear on TV or even in most churches... but it is there in your Bible.

Let's go see:

Our Position in Christ Illustrated

Most Christians know that anyone who has accepted Jesus Christ as their Lord and savior, and are actively living their lives in line with biblical principles are in an exalted position:

And raised us up together, and made us sit together in the heavenly places in Christ Jesus. Eph 2:6-7

How does this work? Let me illustrate with an example from the Bible.

The Case of Deborah

There's an exciting story about this woman of God in the book of Judges chapter 5. We will look at verses 19- 23:

*"The kings came and fought,
Then the kings of Canaan fought
In Taanach, by the waters of Megiddo;
They took no spoils of silver.
They fought from the heavens;
The stars from their courses fought against Sisera.
The torrent of Kishon swept them away,
That ancient torrent, the torrent of Kishon.
O my soul, march on in strength!
Then the horses' hooves pounded
The galloping, galloping of his steeds.
'Curse Meroz,' said the angel of the LORD,
'Curse its inhabitants bitterly,
Because they did not come to the help of the LORD,
To the help of the LORD against the mighty.'*

Judges 5:19-23

Here's the scenario:

A very aggressive band of enemies came against Deborah's nation, Israel at a time of national distress. There was no way Israel could even put an effective army together to fight these enemies.

But Deborah, a prophetess, had a secret weapon:

**She knew how to speak words into
the heavens against the enemies of God's people.**

And she began to speak.

What she was doing was to use her words to **“program”** the heavenly bodies (the stars) and cause them to go into battle against the enemy!

Not only the stars...

Even the waters of River Kishon had no choice but to get involved in the battle to assist Deborah the prophetess.

That the river abandoned its normal course, flowed into the battlefield and swept the armies away was something extraordinary

But wait... there's more.

Even the angels got involved. Verse 23 says an angel began to issue curses (yes, you read that right) against a certain city and those living there.

Their offence?

They refused to engage the enemy in battle...

**This should concern all those who refuse to
learn to fight spiritual battles!**

And that's not all...

Perhaps the most devastating result of Deborah's programming was what happened to the General commanding the enemies' army. A fearsome man named Sisera.

The Bible shows he got so confused that he literally walked into the home of a woman of Israel, "presenting" himself to be executed!

Confusion of the highest order. This is the kind of confusion that forces people to make deadly mistakes.

Do you see confused people around you making fatal mistakes everyday? And you wonder what ever got into them?

Now you know... someone is fighting them from the heavens!

Spiritual Programming

From Deborah's example, it is clear that words spoken right here on earth can affect things in the heavenly realm...

and cause problems for others living here on earth. It shouldn't come as a surprise to learn that heavenly bodies have ears, and they can obey when commanded.

The Bible is full of knowledgeable men and women, who rose up at one time or the other, to program the heavens with their words... converting them to weapons of war.

Think Moses. And Joshua. And Elijah.

**In fact, the book of Job contains special lectures
from GOD Himself on this issue of spiritual
programming!**

Unfortunately, what Deborah and others did in the Bible, wicked men and women are doing it these days – against Christians. And getting away with it.

You see, evil people who engage in star reading and astrology have gained so much evil wisdom about the potentials of the heavenly bodies (Note: God forbids this type of thing). They also know how to program people's names into the stars. They program evil words into the heavens. Then they go ahead to use the altars in the heavens as lethal weapons of destruction.

**These evil altars are used to monitor, afflict,
intimidate and control their victims on earth**

What is the effect of all this on human beings on earth?

Tell-tale Signs

Invisible spiritual chains

There are some people who have some invisible spiritual chains around their legs, hands or necks. At times they see these chains or ropes in the dream. This severely limits their progress in life. They have been programmed.

Periodic sickness

Some people fall sick at specific times every year. Such sicknesses are programmed into the lives of their victims. And even the expert doctors using the most advanced technology may not be able to diagnose them.

Irrational behavior

Uncontrollable sexual urge

Suicidal tendencies

People who get tired of living... who feel like committing suicide do not know that such things have been programmed into their lives in the spirit realm.

Unexplainable losses

Some mysterious losses are programmed into the lives of people. Money, contracts, business opportunities which are meant to come to such people are diverted away mysteriously. This is wicked satanic programming.

Deep depression

Some people experience deep depression in their lives. They suddenly get moody, sad and depressed. This is wicked programming.

Witchcraft marks on the body

Some people discover strange marks on their body. Some sleep without any marks only to wake up the following morning to discover several marks on their body. Some even ignorantly put tattoos on their body, not knowing they are opening the door for satanic agents to program their finances, marriage, etc. into a spiritual graveyard.

Hearing strange voices

Some people hear strange voices without seeing any living soul around them. This is evidence of wicked programming.

Broken homes

Many people (including Christians) abandon their spouses and go ahead to marry others. They have a thousand and one excuses for doing this. What they do not know is that this kind of action does not just happen. ***It is programmed!*** Such people will only experience freedom when a powerful decree goes forth that the heavenlies should release them. Until that happens, all the marriage counseling is a waste of time. And subsequent marriages may end up just like the rest.

Here's the danger:

Once a person's case has been programmed into the heavenlies:

Deliverance cannot solve that kind of problem!

Positive confession cannot solve it. ***Singing/dancing in church cannot solve it.***

You can only solve that kind of problem by shaking the problem from the foundation, which is located in the heavenly realm.

The moment something is programmed into the heavenlies against an individual, the fate of that person is sealed in the spiritual realm. That person is as good as dead. It doesn't matter whether they are going to church or not. I can actually remember one high school friend. He eventually became a physician. And a minister in his church. Then one Sunday morning, 7 years ago, he fell down and died at the altar... during ministrations! An example of wicked programming.

The Good News

The Bible has not left us in darkness at all. We can recover from these things. We can pray and "***de-program***" whatever the enemy has used evil consultants like astrologers, diviners, enchanters, etc. to destroy in our lives. The word of God has already made it clear that we are seated with Christ in the heavenly places... far above all these powers.

God has placed us at a higher spiritual realm. We are supposed to be victorious by virtue of our exalted position in Christ

But what is the reality?

Most Christians have no idea what victory is like. Because of these 2 reasons...

Living in any known sin is the #1 reason that many people are not moving in this realm of victory.

The #2 reason is the all-pervasive ignorance about spiritual things in this generation. There is almost total ignorance about the secrets of the heavens as taught in the Bible. Among pastors. Among Christians. Even in Bible Schools... almost

Near-total ignorance about the kind of prayers that will take your warfare to the heavenlies.

This is about to change. By the grace of God, that's the kind of prayers that we are about to pray in this grand finale of our marathon.

Why?

Because whoever controls the heavens, controls what happens here on earth. It's that simple.

- *Elijah dealt with the elements in the heavens and produced drought* for three and half years. What Elijah did from the heavens brought king Ahab and the prophets of Baal down to their knees.
- *Moses took his battle to the heavens.* He caused darkness to fall on Egypt. He knew that the Egyptians used to draw power from the sun so he threw a spiritual blanket and blackened the sun for them.
- *Deborah addressed the stars to her own advantage.*
- *Joshua spoke to the sun and stopped it from going down...* until he finished his divine assignment!

Beloved, this is the ultimate realm of power in the entire universe. Christians have a birthright to enter into it because of JESUS.

But I must warn you...

Someone who needs this ultimate power will have to fast. There is no other way.

The disciples of Jesus were praying at one time for a boy.

Nothing happened. When Jesus came, they asked him why their prayer was not working.

And Jesus said:

"This kind does not go except by prayer and fasting"

What Kind of Prayers?

In Genesis 32: 24-29, the Bible has this to say:

Then Jacob was left alone; and a Man wrestled with him until the breaking of day. Now when He saw that He did not prevail against him, He touched the socket of his hip; and the socket of Jacob's hip was out of joint as He wrestled with him. And He said, "Let Me go, for the day breaks."

But he said, "I will not let You go unless You bless me!"

So He said to him, "What is your name?"

He said, "Jacob."

And He said, "Your name shall no longer be called Jacob, but Israel; for you have struggled with God and with men, and have prevailed."

Then Jacob asked, saying, "Tell me Your name, I pray."

And He said, "Why is it that you ask about My name?" And He blessed him there.

Gen 32:24-29

Here we are told that Jacob was left alone.

**A time will come in your life when you
will be left alone to wrestle...**

A time will come when your parents, your pastors, social network, and all those you look up to, may not be able to help you. For so many, that time is NOW!

Nothing happened to Jacob until the time he was alone with God. Before this encounter, Jacob was a lost and confused fellow, without any aim or direction. Until after the wrestling match... God now became known as the God of Jacob.

What does it mean to "wrestle?"

It is:

- struggling
- hand to hand fighting
- extreme violence in a fight
- hazardous and deadly combat
- brutal and barbaric fighting
- a thoroughly violent blood sport

This is the expression that Apostle Paul chose (of all expressions) to describe our conflict with unseen demonic forces marshaled against us for destruction.

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Eph 6:12

**The God of the Bible is an
Incomparable Warrior**

God is wise in heart and mighty in strength.

Who has hardened himself against Him and prospered? Job 9:4

Our Lord has influence and authority that nothing can stand when He commands a march.

Whoever He sets Himself against is undone, for neither riches nor strength can save them.

... and raised us up together, and made us sit together in the heavenly places in Christ Jesus. Eph 2:6

If we are seated together with Him, nothing can defeat us.

We must learn to fight from the heavens.

This is the surest way for us to dismantle anything programmed into the heavenlies against our destinies.

**And thereafter the big HARVEST will overtake us!
12 Things to Note Before You Pray**

- 1 You are not praying against any human being, dead or alive. Your prayer points are directed at the spiritual entities listed in Ephesians 6:12
- 2 You must have prepared yourself as I advised in my pre-marathon emails – through repentance... **and gone through Phase I and 2 of the prayers.**
- 3 During this prayer program, no matter the level of provocation, do NOT get angry. Be of your best behavior towards friends, family and even those who do not like you.
- 4 Commit to reading through at least 2 books of the Bible during this period. I recommend the books of Isaiah and Revelation. And meditate upon those scriptures to keep your spirit-man razor sharp.
- 5 Each prayer point should be prayed for between 2 and 5 minutes. Do NOT just read them. Pray them repeatedly or with variation as led by the Spirit of God. And pray in the Spirit often.

- 6 Get a notebook and write down all your dreams, visions and revelations during this program.
- 7 This is a midnight operation. By midnight I mean between 12:00 and 3:00 a.m.
- 8 If you are praying in a group, let one person call out the prayer points and then everyone will pray in unity until the one leading says, "in Jesus' name we pray." Then everyone should shout "Amen." Move to the next prayer point.
- 9 Begin each session with passionate praise and worship for at least 10 minutes.
- 10 Follow praise and worship session with the confessions below. (Please note that during this worship session, you can kneel, or prostrate before the Lord. But as soon as you start the confession below, you should be on your feet like a warrior). If you are feeling tired you can sit down.
 BUT DO NOT KNEEL AT THIS STAGE!
 You are going into battle. Remember Gideon and his 300 soldiers!
- 11 Every day fast from morning till 12 noon or 3pm or 6 pm or 9 pm as the Lord gives you the grace.
- 12 **THIS IS THE CAPSTONE:** At the end of these prayers, take a good offering, put it in an envelope and take it to your local church... this is a thanksgiving offering to the LORD... It will act as a seal to all the prayers you've prayed. It will stand as a memorial for you... before the LORD!

IMPORTANT!!

Please give this offering in your local church. Don't send it to me or any other ministry. And don't be stingy with God. He doesn't need it... but you do!

Giving is what kicks off the process of receiving...
Start Every Session Like This:

1 Praise and worship

2 Make the following powerful confessions:

I announce that greater is the One that is in me than any devil on the side of my enemies. It is written, "The righteous is as bold as a lion." By my faith in Christ Jesus, I am righteous. I receive my divine boldness. The angels of the Lord encamp round about them that fear Him. The angels of God are with me, I have no reason to fear any man, woman, or spirit. Because the Lord of hosts is with me. I put my confidence in Him. God wishes above all things that I prosper. In Jesus' name, I receive prosperity of spirit, soul and body. In Jesus' name, I have the mind of Christ. I reject, refuse and bind negative thoughts, imagination and statements against me. I cast down every imagination and high thing exalting itself against the word of God in my life and family. My God is the Father of faith. I ask and I receive the faith in God to increase in my spirit, in my soul and in my body, in the name of Jesus. I totally trust in the Lord, and I am not leaning on my own understanding. I fill my heart with the word of faith. I receive and speak the word of faith. The perfect will of God for my life shall come to pass. I abide in the secret place of the Most High God. He is my shelter and my refuge. Today, I begin to be what God says I am, and I begin to walk in it, in the name of Jesus. I am a person of authority, power, dominion, grace and favor, in Jesus' name. I can do all things through Christ who strengthens me. I can run through a troop. I can leap over a wall. I can crush principalities and powers under my feet. I can pursue, overtake and break the necks of my enemies. Henceforth, my fear and dread shall be upon my enemies. As soon as they hear of me, they shall submit themselves unto me. My confession is from the word of God... therefore it stands sure. In Jesus' mighty name. Amen

 From Here, you can then proceed to the relevant section for the day!
