Bunny

Meet Bunny the cat! Bunny was brought to us after being found in someone's crawl space. She is quite shy at first, but with the right amount of attention she will become a social girl. She loves getting pets and would do best in a calm and quiet household. If you want to meet Bunny come meet her at the BC SPCA Nelson Branch, or call (250) 352-7178.

The Easter Bunny Hop (Ages 0-6)

On Saturday March 28 from 1 to 2:30 pm, bring the family out for a fun filled afternoon of Easter activities, games, and a classic Easter egg hunt at the Vallican Whole Community Center.

Children will enjoy making their own unique pair of bunny ears, along with decorating their very own Easter egg basket for the upcoming hunt. Face painting, Easter egg decorating, healthy *bunny snacks* and drinks will all be part of the festivities. Once all the little *bunnies* are ready, children will gather for some singing and dancing before heading out for the much anticipated Easter egg hunt!

Admission is \$5/child. Everyone is welcome to attend, but we encourage people to pre-register so we are well prepared for the day's events! Parent/guardian supervision is required.

Directions to the Vallican Whole Community Centre can be found at www.vallicanwhole.com If you plan to attend, please contact Slocan Valley Recreation to pre-register. For information or to volunteer, please call 250-226-0008 or email slocanvalleyrec@rdck.bc.ca

READY FOR RUGGED TERRAIN?

NEW BALANCE
LET'S MAKE EXCELLENT HAPPEN.

The image shows a side profile of a New Balance 799 IS sneaker. It has a grey mesh upper with dark overlays, a white midsole, and a dark outsole. The background is a blurred landscape of rolling hills and mountains under a clear sky.

THE NEW BALANCE 799 IS.

Featuring an ACTEVA® LITE midsole for lightweight support and a rugged rubber outsole for traction, this men's outdoor walking shoe stands its ground — and looks good while doing it thanks to suede and leather overlays.

Angler Alert

The 33rd Annual Kootenay Lake Easter Dolly Derby (bull trout) will be held Friday, April 3 through Sunday, April 5 at Woodbury Resort and Marina.

Due to declining kokanee stocks caused by an overabundance of predators, including bull trout and rainbow trout, derby participants will be able to weigh in one fish per day, instead of one fish for the tournament. The winner per ticket rule will still be in effect. Also, the West Arm of the lake will be excluded for the fishing area.

In past derbies, seven fish were the most ever entered due to the one fish per ticket rule. All biologists seem to agree that the shortage of kokanee is directly related to an overabundance of large predators. Kootenay Lake anglers, do your part and catch and keep a few dollies this spring!

Submitted by Terry Jones

Salmo High School Reunion

Salmo is hosting a Salmo high school reunion for Classes 1960 to 1980 (graduates or attendees) on July 3, 4 & 5.

If you attended Salmo Secondary in these classes and haven't received an invitation yet, more information and registration forms are available at the Salmo Chamber website:

<http://discoversalmo.ca/SalmoHighSchoolReunion.aspx> or our FaceBook Page <https://www.facebook.com/SalmoHighSchoolReunion2015>

Due to regulations, registered guests only may attend. Come and join the fun!

TARA Slip On

A skimmer that doesn't skimp on substance or style, the Tara's got the 411 on lightweight flexibility in a perforated slip-on inspired by New Balance racing flats. Wraparound ankle gore and a removable molded footbed mean snug comfort, but there's plenty of fun in this function with a retro sidewall and an extra snap of metallic colour at the heel. Blue or taupe.

Music Students Set To Showcase Talents

Music fans have the opportunity to experience seven nights of diverse genres and budding talent at the annual Selkirk College Contemporary Music & Technology Program showcase concerts.

Second year students have been working hard at putting together their final showcases that play an important role in their educational journey at Selkirk College. Thorough preparation has been put into the showcases that begin Tuesday, March 17 at the Shambhala Music & Performance Hall on Nelson's Tenth Street Campus.

"This is an important part of the education that students are getting," says Selkirk College Keyboard Instructor Gilles Parenteau. "Putting together these showcases requires a lot of skills that the audience doesn't see. The preparation and planning is just as important as the final product on the evening of the show. Of course, getting to play in front of a live audience is an exciting opportunity for the students and a fine way to put the finishing touches on their education at Selkirk College."

Each performance major student is responsible for putting together a band of classmates and set list for their individual showcase. They are graded on the preparation and performance of their final showcase. The shows are as follows (specialty/genre):

- March 17: Spencer Belanger – piano/neo-classical
- March 17: Ben Sefton – guitar/original folk pop
- March 19: Leala Spitler-Heidt – vocal & songwriter/acoustic groove
- March 19: Trenton Fawcett – guitar & songwriter/folk rock
- March 20: Leonard Pallerstein – guitar/R&B, blues, jazz
- March 20: Cody Munn – bass/funk, R&B, jazz
- March 24: Brennan Buglioni – drums/alternative rock

- March 24: Jonathan Kwak – vocal/metal, rock
- March 25: Paloma Pendharkar – piano/contemporary ethereal
- March 25: Tenise Marie – vocal/folk, pop, rock
- March 26: Eli Larsen – vocal/original ambient rock
- March 26: Chris Anglin – guitar/original kaleidoscopic rock & roll
- March 27: Franco Niro – guitar/original progressive rock

The doors open for the showcase concerts at 7 pm with the music starting at 7:30 pm. Donations are gratefully accepted. Learn more about the Selkirk College Contemporary Music & Technology Program at selkirk.ca/program/music For more information please contact: Gilles Parenteau, Selkirk College Keyboard Instructor, 250-505-1350.

Community Fund Update

The Community Fund of North Kootenay Lake Society (CFNKLS) holds nearly \$600,000 in endowment funds that benefit charitable organizations in Kaslo and Area D. The interest from these endowments generates about \$20,000 in grants to registered charities in support of social, cultural, recreational, and educational programs, as well as a bursary supported by the McKinnon Family Fund. Typical grants range from \$500 to \$1500 and you can find our grants eligibility form and guidelines on our website.

Grant applications for 2015 are available on the CFNKLS website, nklcommunityfund.org or you may call David Stewart at 250-353-7600 or e-mail sjdds@kaslo.org Application deadline is Thursday, April 30 and successful applicants will be notified by May 31. The CFNKLS AGM will be held at the Langham Cultural Centre on Friday, June 5.

Would Your Acreage Benefit From Soil Amendment?

Zellstoff Celgar is looking for landowners with 2 or more acres within 55 km of Castlegar that would benefit from using Biosolids as soil amendment. Pastures and hay fields are good options.

Zellstoff Celgar will cover the costs of the consultant to perform soil sampling, obtaining government authorization and delivery costs of the fresh Biosolids based on access with a large truck/pup combination. Acreage should be able to accommodate at least 6 truck/pup loads.

The landowner is responsible for spreading and incorporating the Biosolids into their soil.

Friends Of Kootenay Lake Video

We are pleased to announce we have just completed a short film about our group and the importance of lake stewardship. To view the movie online, go to <http://bit.ly/1AkIgPv>

On Thursday, March 19 help celebrate World Water Week by joining the West Kootenay EcoSociety and Friends of Kootenay Lake to watch the film, *The Fish Between the Falls*.

One of the biggest river restoration projects ever attempted is happening right in our own backyard! *The Fish Between The Falls* is telling its story to the world. Experts across the US and in Canada are part of the Kootenai River White Sturgeon Recovery Team, and discovering their story took filmmaker George Sibley literally from coast to coast.

We are happy to announce George Sibley will be joining us for the screening on March 19 at 6:30 pm, 717 Vernon Street, Nelson.

Herald Spring

This spring equinox on Saturday, March 21 is only one of several events taking place to herald spring 2015. These events start with the new moon on Friday, March 20 and a solar eclipse, two events which should stir up the cosmological dynamics; followed by the spring equinox of equal day/equal night on Saturday, March 21 and World Water Day on Sunday, March 22!

If you've been feeling a quickening in your blood, it could be more than just a touch of spring fever! There's a lot going on! We are all influenced by the movement of the planets, we are made up primarily of water, just see what the moon's pull does to the tides, the evidence is there for us all to see.

So what do we do when we feel the strong movement of change within us? Do we sit in discomfort and go into moody reaction? Do we suppress the feelings and fall back into familiar routines and patterns and pretend we aren't feeling anything? Or do we embrace the changes we are feeling, and welcome in the movement even if we don't know where it is leading us?

The new moon, eclipse, equinox – these are all events that are out of our control, even as we are influenced by them. One thing we can do is celebrate them! And that is what we propose to do for the spring equinox and World Water Day!

The community of Nelson loves celebrations, and every spring equinox there is a celebration walk held at the Lakeside Labyrinth in Lakeside Rotary Park (under the Big Orange Bridge). This year the walk will be held on Saturday, March 21 at 1 pm. Everyone is invited to come and walk in community celebration of the return of spring, and to bless the healing, life-giving waters that we are so fortunate to be surrounded with.

The labyrinth has been known, since ancient times, as a sacred site that is symbolic of bringing about transformation and connectedness with one's inner self. Come and shed the weary winter and find that inner balance within yourself, just as day and night find their balance. Bring your water to be blessed, bring your garden seeds to be blessed, bring yourself to be blessed.

This event is hosted by the Nelson Community Labyrinth Group, and is free of charge for anyone of all ages to attend. For more information about labyrinths and this group check out www.labyrinth.kics.bc.ca

SIMON SAYS...Have a Look at these Excellent Properties!

Very Solid!

This single owner home includes an excellent main floor layout and fantastic potential for an in-law suite on its ground floor level. Beautiful covered deck with great view, single garage and ultra convenient location!

Absolutely Perfect!

This 3 bedroom, 2.5 bath home has been completely updated inside and out... new flooring, new kitchen, remodelled bathrooms, new windows, new doors and so much more. Awesome location on Kinnaird Bench with breathtaking view!

Just Reduced!

That's right... this pampered doll house has just been reduced in price by \$9000 and is ready for a new owner. No work to do as this one is clean as a whistle inside and out. Great location on level lot with alley access and walking distance to all amenities!

Call Simon Laurie for access to information on exclusive listings on brand new homes which are not currently listed on MLS!

Let me know if you're interested in a free, no obligation, evaluation of your current home's value!

Life And Death: The Dollhouse

The Dollhouse was an eight year project, undertaken by Saskatchewan-based installation artist Heather Benning, which reached completion in 2013. The farmhouse was located near Sinclair, Manitoba on Highway #2 and had been abandoned in the late '60s.

For over 18 months Ms Benning restored and furnished the house to jewel box perfection and then removed the north facing wall and replaced it with plexiglass. The house was officially opened to the public June 9, 2007 and then stood tomb-like as a life-sized dollhouse for six years. In October of 2012 the house began to show its age; the foundation was clearly compromised. As a consequence, in March of 2013, The Dollhouse met its death by fire. The entire evolution of this breathtaking project is documented by way of film and photo and will be on display at the Langham Gallery until mid April, when Heather will deliver an artist talk and film screening at a closing event in the Langham Theatre, Kaslo Sunday, April 12 from 2 to 3 pm, admission by donation. Do not miss this amazing exhibition and event!

Submitted by Arin Fay
