

2007 Walk & Wag Recap

Retroactive Afterglow: July 2011 - Posted on Google's blogger.com at: blogger.byherdesign.com Copyright-2011: Julia Hrycko

Meet & Greet starts with sniffs.

Prize-seeking pooch nabs his.

Then onto the bisquit-search...

Finally, Pet Spa seals the deal.

Recap of the 2007 Walk & Wag Event held by the Humane Society of Huron Valley

As one of the volunteer photographers at the 2007 Walk & Wag event held at the Washtenaw County Parks and Recreation site off Washtenaw Street, it seemed like a recap of this dog-friendly fundraiser would allow me to make public the various photos taken of human and animal participants.

Unfortunately in 2007 the HSHV didn't have the website resources set up to place these photos online, so the people who were promised access to their photos didn't get that access. It's true that these photos don't include the Names of participants, but perhaps you will recognize someone/or a pet and email me to let me know the names going with these faces? Email: [walkandwag2007 at gmail dot com](mailto:walkandwag2007@gmail.com)

Additionally, the photos have been placed at a Shutterfly account specifically designated for this group-effort. If you happen to want a copy, you can go to:

www.2007HSHVWalkWag.Shutterfly.com/pictures

If you are one of the other 2 photographers who volunteered and wish to upload photos from the event, you can upload prints to the free shutterfly site.

Please note that these photos were taken of willing models in the public domain. Also, the HSHV didn't post these photos, which is why I am now (4 years later) trying to show the successful event.

The HSHV hosted the 2011 Walk & Wag at the same location in May. They made those photos available at their own Shutterfly online account, meaning W&W participants can order prints: WalkandWag2011.Shutterfly.com/pictures

Three young participants and their animal-charges.

As a dog-lover, this fundraiser by the HSHV impressed me and made me proud have served as a vounteer for this wonderful organization. Your donations made the recent building expansion viable, which is all the more amazing in this economy.

A list of all 2007 Event-Sponsors is listed on pages 3-4.

Best regards,

Julia
