

FIRST WORD

July 23 & 24, 2011

Dr. Paige Patterson

President of Southwestern Baptist Theological Seminary
Guest speaker this weekend

First Baptist Church Naples

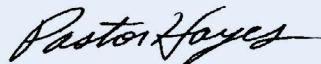

A Straight and Sharp Arrow

During my growing up years, my dad and I were members of the "Black Feather Bow Club" in Arizona, which included all ages of archers. But I sometimes got in trouble borrowing my dad's heavy-pound Ben Pearson bow. I once shot his aluminum target arrows through the target on bales of hay in our backyard into a neighbor's pool! I learned the technique of stringing the bow, as well as the necessity of unstringing it. If the latter is not done daily, then ultimately the bow will lose its tautness and power. This is my last week of vacation in Colorado spent "unstringing my bow." I am very grateful and will return next weekend hopefully shooting straight and true from Psalm 37 – "Being In the Lord in the In-Between Times."

Our guest preacher this weekend is no stranger to Naples or to hunting. **Dr. Paige Patterson**, the renowned President of Southwestern Baptist Theological Seminary, has spoken here before and has been my friend, hero, and encourager for many years. A lover of big game hunting, his office is filled with taxidermied trophies from various hunts in Africa. His biblical position and sense of humor are seen in a stuffed monkey wearing glasses and reading Darwin's treatise and evolution, *Origin of the Species*. Dr. Patterson has shot at close range an attacking lion, but he has been even more effective in shooting the arrows of truth in a straight and strong manner for years.

I have been associated with Dr. Patterson during his presidency of Criswell College, and I also served on the Board when he was President of Southeastern Baptist Seminary. When history records the great movement of God in the last part of the 20th Century and in these years of the 21st Century, his role will be recognized as the primary visionary and theological architect of the conservative resurgence of the Southern Baptist Convention. As someone noted, "What drifts to the left must be driven to the right." Only a man of his courage and intellect could have done that.

Dr. Patterson is also a highly respected New Testament scholar, missionary statesman, and preacher. His brilliant wife, Dorothy, has led the women's ministry program at two seminaries and is highly esteemed. We gladly receive him and his message.

Church-Wide Picnic Results

We had a very successful church-wide picnic on Wednesday, July 13th. We served 500 hamburgers, 350 hot dogs, and 350 pounds of pulled pork. What a night! Thank you to everyone that came, and a special thank you to everyone that worked behind the scenes to make it such a huge success.
