# Welcome to the Visual Arts Center

The Visual Arts Center of Punta Gorda, Florida welcomes you to its 8th Biennial National Art Exhibit. For those who are visiting our Center for the first time, we invite you to share in the enjoyment of the most dynamic art organization in Southwest Florida.

This wonderful Center has enriched the lives of the people in our community and our many visitors. A handful of artists began the Charlotte County Art Guild in 1961, a modest beginning. Even Hurricane Charley only briefly interrupted our tradition of providing a venue for artists to exhibit and students to study with talented instructors in an ever increasing range of art classes and workshops.

The 8th Biennial National Art Exhibition is open to the public from February 4 to March 11, 2012. This exhibit, as well as all others throughout the year, is open to the public all free of charge. We encourage you to bring your children (but be advised there are nudes in this exhibition).

Juried by  
**DEAN MITCHELL, AWS, NWS**

DEAN MITCHELL is considered one of America's greatest watercolorists and exhibits in the nation's most prestigious museum invitationals including the Prix de West in Oklahoma City and the Autry National Center's Masters of the American West. His art can be found in corporate and museum collections across the country, including the Library of Congress. Mitchell is well known for his figurative works, landscapes and still lifes. In addition to watercolors, he is accomplished in other mediums, including egg temperas, oils and pastels.

Born in Pittsburgh in 1957, he grew up in Quincy, Florida, and is a graduate of the Columbus College of Art & Design in Columbus, Ohio. After Mitchell's inclusion in a 2002 exhibit in Harlem, New York Times art critic Michael Kimmelman was inspired to write that "Mr. Mitchell is a virtual modern-day Vermeer of ordinary black people given dignity through the eloquence of his concentration and touch." Mitchell was named a "Best Bet" for collectors in ARTnews magazine. He created portraits of Charlie Parker, Charles Mingus, John Coltrane and three others for the U.S. Postal Service Jazz Musicians stamp series. His life is the subject of an illustrated children's book titled, "Against All Odds: Artist Dean Mitchell's Story."

Mitchell has been featured in numerous publications, including the New York Times, Christian Science Monitor, American Artist, Artist Magazine, Fine Art International and Art News. He has received the American Watercolor Society Gold Medal, Allied Artist of American Gold Medal in Watercolor and Oil, Thomas Moran Award from the Salmagundi Club in New York, Remington Professional League, and for three years in a row the Best in Show Award from the Mississippi Watercolor Society Grand National Competition. In 2004 and 2007, he received the Autry National Center Award for Watercolor at the Masters of the American West Fine Art Exhibition and sale. Mitchell is a member of several professional societies, including the American Watercolor Society and the National Watercolor Society.

"I want to create paintings that make people think and feel," Mitchell has said. "Art has to mean something, whether it is commercial or not. I think that, in the end, the spirituality takes over. Human feelings are universal, no matter what the subject."
