The best things in life are Libre

Lord, ikinalugod namin ang biyaya Mong buhay. Subalit sa kabila ng pagpapalang ito, marami ang nasasagasaang karapatang pantao, biktima ng walang katarungan. Dalangin kong nawa'y biyayaan Mo kami ng makatarungang pag-iisip at pagpapasya sa lahat ng bagay at pagkakataon upang ang karapatan ng bawat isa ay makamit ayon sa turo Mo. Amen *(Elen Raton)*

Hindi na naakit ang kabataan dahil mas nabibighani sila sa mga social network

AKAKALIMUTAN na ang mga makakaliwang rebeldeng Pilipino dahil sa Facebook at Internet sapagkat online na kung maglabas ng hinaing ang mga kabataan sa halip mag-aklas laban sa pamahalaan, sinabi ng isang peace negotiator.

Ayon kay chief negotiator Alex Padilla, nailayo ng Internet ang mga mag-aaral sa pamantasan mula sa mga rebelde, na aniya ay kumukuha na lang ng mga hindi na nag-aaral.

Binalik ni Pangulong Aquino ang usapang pangkapayapaan sa mga rebelde ngayong taon sa Norway makaraang mabinbin nang pitong taon, panatag na wala nang paroroonan ang mga rebelde at lalagda sa isang kasunduang pangkapayapaan sa loob ng 18 buwan.

"There has been a lack of, or dearth of youthful ideologues actually being brought up. They have been unable to harness their proteges among the younger groups," ani Padilla, tinukoy na mahigit 70 taong gulang ang karamihan sa mga pinunong rebelde.

"They are now recruiting not students from the university as before but out-of-school youth," ani Padilla, na nagsabing hindi hihigit sa tatlong milyon ang taga-suporta ng mga rebelde mula sa kabuuang populasyon ng bansa na 94 milyon.

"I think Facebook has played a role because I think the interests of the youth now are far different from 30 years ago, when there were less avenues for engaging other people," aniya, dinagdag na naniniwala ang pamahalaan na kusang mamamatay ang 42-taong rebelyon dahil wala nang nare-recruit, at dahil lumalago na ang ekonomiya. ***AFP***

$132,000 galing sa binentang bahay ng mga Ligot sa US

NAGBIGAY si US Ambassador Harry Thomas kahapon sa pamahalaan ng Pilipinas ng tsekeng nagkakahalagang $132,000 mula sa pinagbentahan ng isang bahay sa Buena Park, California, na pag-aari ni dating military comptroller Jacinto Ligot, na nahaharap sa kaso ng pandarambong.

Tinanggap ni Justice Secretary Leila de Lima ang tseke sa Department of Justice.

Sinabi ni Thomas na ang tseke ang "the first ever return of funds" sa kaso ng pagbawi sa yaman at bunga ng hiling ng noon ay Ombudsman Simeon Marcelo noong 2009 para sa pag-aaring nakatala sa kabiyak ni Ligot na si Erlinda.

Ayon sa embahador, makikita sa pagsasalin ng tseke na panatag ang Estados Unidos sa administrasyong Aquino. Idedeposito umano ang tseke sa Philippine treasury at gagamitin sa kapakinabangan ng mga Pilipino.

"We know this is the first of several cases that we will be able to cooperate with the Filipino government," dinagdag ni Thomas.

Pahayag naman ni De Lima: "It is a proud moment for us to be able to return to the national coffers a part of what has been plundered from it." *N Dizon*

Bagong grads nasunog diploma

NASUNOG ang diploma ng karamihan sa 149 nagtapos kahapon sa Panghulo Elementary School sa Malabon City dahil sa sunog na tumupok sa 400 bahay na sumira sa tinatayang P2.5 milyong halaga ng ari-arian.

Tinatayang 800 pamilya ang nawalan ng tahanan dahil sa sunog na hindi pa nababatid ang sanhi.

Ayon kay guidance counselor Rosario Bundalian, naiiyak na tumulak sa paaralan ang mayorya ng mga nagtapos, humihingi ng bagong diploma. "But we still have to coordinate with the Division of City Schools to be able to do that," aniya.

Nagsimula ang sunog 2:24 ng umaga sa bahay ni Wilfredo Priel sa Camia Street, Barangay Maysilo. Mabilis na kumalat ang apoy dahil sa malakas na hangin. Naapula lang ito 7:15 ng umaga. Walang naiulat na nasaktan.

Ayon sa mga residente, maaaring bunga ng uminit na charger ng cell phone ang sunog, ngunit tinutukoy pa ng mga opisyal ang sanhi ng apoy. *Kristine Felisse Mangunay*

Mikey: Ito'y panggigipit

TINAWAG ni Ang Galing Pinoy party list Rep. Juan Miguel "Mikey" Arroyo na "pure political harassment" ang kasong tax evasion na isinampa ng Bureau of Internal Revenue (BIR) laban sa kanya at sa kanyang kabiyak.

Kinasuhan sila ng BIR dahil sa hindi pagbabayad ng P73.85-milyong buwis, kasama na ang interes at ibang dapat bayaran.

"I am not against the government filing cases against supposed tax evaders. What I am questioning here is the lack of due process being employed by the administration," ani Arroyo.

Panganay ni GMA kinasuhan ng BIR

Ni Nikko Dizon

GINAGAMIT ng Bureau of Internal Revenue (BIR) ang isang taktika na nagpakulong sa American gangster na si Al Capone laban sa panganay na anak ni dating Pangulong Gloria Macapagal-Arroyo.

Batay sa net worth method, kinasuhan ng BIR si Ang Galing party-list Rep. Juan Miguel "Mikey" Arroyo at ang asawa nitong si Angela para sa hindi pagbabayad ng buwis.

Sa ilalim ng pamamaraang ito, binibilang ng BIR ang lahat ng ari-arian ng isang tax payer at ibinabawas ang lahat ng kanyang bayarin upang makuha ang kanyang net worth, o ang kabuuang halaga ng kanyang ari-arian o yaman.

Sinabi ni Commissioner Kim Jacinto-Henares na gamit ito, natuklasan nilang hindi nagbayad ng P73.85-milyong buwis at interes ang mag-asawang Arroyo.

Mula 2003 hanggang 2009, hindi nag-file ng income tax return o hindi nagdeklara ng tamang kinita ang mag-asawa, ani Henares kahapon sa isang press conference sa Department of Justice kung saan isinampa ng BIR ang kaso.

Sinuri ng ahensiya ang Statements of Assets, Liabilities and Net Worth ni Arroyo at nakita ang biglang paglaki ng net worth niya. Noong 1993, P50,000 lang ang kanyang yaman na umakyat sa P5.72 milyon noong 2001, nang naging vice governor siya ng Pampanga. Noong 2004, P76.5 milyon na ito at P99.2 milyon na noong 2009.

Firefly Brigade muling lilipad sa April 17

LIBU-LIBO ang inaasahang makikiisa sa malakihang biyahe ng mga bisikleta sa Abril 17 kapag ginanap ang Tour of the Fireflies ngayong taon.

Layunin ng taunang padyakan na isulong ang kampanya para sa malinis na hangin sa Kamaynilaan at ang paggamit ng bisikleta bilang pamamaraan ng paglalakbay.

Inanunsyo ng The Firefly Brigade, Tiendesitas, at Ortigas & Co. ang paglulunsad ng ika-13 Tour of the Fireflies kahapon.

Maganda ang ani ng palay, sabi ni Alcala

MAS maganda sa inaasahan ang anihan ng palay ngayon, ayon sa Department of Agriculture (DA).

Dahil dito, sapat na ang 860,000 metriko toneladang bigas na aangkatin sa ibayong-dagat at hindi na kailangang dagdagan ang order, ani Agriculture Secretary Proceso Alcala.

Inaasahan ng DA na aabot sa 7.6 milyong metriko tonelada ang produksyon ng bigas sa unang semestre ng 2011, mataas nang 15 porsyento sa unang kalahati ng 2010. "It's okay. Our harvests are very good," aniya.

Panatag si Alcala na sapat ang suplay ng bigas upang makaagapay sa pagkasirang dinulot ng bagyo. *Kristine L. Alave*

Get into the habit of drinking water

DRINKING eight glasses of water regularly remains a challenge for many. Although health professionals have repeatedly emphasized its importance, the preference for other beverages like flavored juices or carbonated drinks continues to grow at unprecedented levels.

In celebration of World Water Day, people around the world are called to spread the good news on the benefits of drinking water and the importance of preserving sources of potable water all over the world.

The World Water Day is a global movement that started in 1992 after a recommendation at the United Nations Conference on Environment and Development (UNCED) was made to designate an international day to celebrate freshwater.

This year, Tupperware again affirms its commitment in instilling the value of freshwater to the public.

Tupperware says everyone should get into the habit of drinking pure, clean water

using Tupperware Water Solutions, a range of water bottles and containers that are durable, high-quality, and eco-friendly.

Proper hydration helps regulate body temperature and eliminate toxins. Drinking water regularly also helps decrease appetite, burns fat more efficiently while helping maintain stamina and reduces fatigue. What's more, drinking water everyday allows body cells to better use valuable nutrients and minerals.

Using a Tupperware Water Solution helps save space otherwise used for storing disposable bottles.

Tupperware Water Solution is considerably less expensive than purchasing bottled water every day. Save up to P20,000 per year simply by drinking the recommended eight glasses of water a day using a Tupperware Water Solution product filled with clean drinking water, instead of bottled water.

It also helps prevent billions of disposable bottles from ending up in landfills where they will take an estimated 1,000 years to biodegrade.

To help the public get into the habit of drinking water, Tupperware introduces the Eco Water Bottle, Giant Tumblers and the Beverage Buddy. Log on to www.Tupperware-brands.ph for details.

Enjoy summer with your kids

DEAR Joe,
Just call me IC, 23 years old, and presently working as a marketing assistant in a pharmaceutical company. I consider myself blessed for having Ritchie, my first boyfriend whom I met a few weeks before he left for Riyadh.

Mark is Ritchie's best friend and coworker. Ritchie introduced me to him over the phone and I found him hilarious and friendly. He envied Ritchie for having me and said that if he met me first, I will be with him. I didn't take Mark seriously and took his words instead as a compliment. I eventually introduced Mark to my good friend and officemate, Marianne. They talked a few times but nothing special happened.

After his two-year contract, Ritchie came home last November to propose marriage. I was sure that I wanted to marry him but was also aware that his family depended on him financially. He was not yet ready but asked for marriage to be sure that I would still be there when he comes back. He was disappointed when I turned him down, but we both promised to get married when he returns.

Two weeks later, Mark came home. I met him casually but I noticed a different spark in his eyes. Mark is cute, neat and attractive. I was sure my friend Marianne would like him so I set them up for a date and they got steady after a month. We started going out as a group and I always noticed Mark staring at me. I began to feel awkward and uncomfortable every time he was around.

One day Mark confessed that he loved me but resisted the feeling because Ritchie was his best-friend. He cried for he knew that he betrayed Ritchie and was being unfair to Marianne. I told him to stop this foolishness because I really loved Ritchie. He wanted to break up with Marianne and tell Ritchie but I begged him not to for the sake of his friendship with Ritchie and mine with Marriane.

Right now, I avoid him but he still pesters me. Marianne is beginning to notice Mark's coldness. I have never told anyone about this. Ritchie is about to leave for Riyadh soon but I'm afraid that if tell him he might choose to stay. I know he really needs this job and his family depends on it. I don't want to tell Marianne because she loves Mark and she might not understand me.

Sooner or later, all these will be out in the open. Marriage is another option but time isn't on our side. Joe, I need your advice very badly. What will I do when Ritchie leaves? Mark already decided to stay behind and I am afraid of what he is capable of doing. What about my best friend Marianne? Please enlighten me.

Right here waiting,
IC

DEAR IC,
There are many people who would do anything to get what they want. From the start, Mark showed signs of interest which was obviously physical. He kept this feeling of attraction to himself because he didn't want to get into trouble with Ritchie.

When he tried to suppress it, this fascination grew into an uncontrollable obsession. Maybe he thought that Marianne would make him forget but it just gave him an opportunity to see you more often and intensify his unquenched desire for you.

Mark's persistence may cost him his friendship with Ritchie and Marianne but it could also pay off. We cannot discount the possibility that, given the perfect timing and opportunity, he could get you where he knows you're weak. Considering his personality, he will probably pursue you at all cost. It is scary because his constant presence can threaten your relationship with Ritchie who will soon be out of physical reach.

IC, I can feel how much you love much Ritchie and I know how insignificant Mark to you is. If you are really sure that what you feel for Mark is nothing more than friendship then tell him that. If he still is stubborn then let go of the friendship and tell Ritchie about him. If you are afraid of Mark, this is the best time to seek the support of Ritchie who should protect you and your relationship from any harm that threatens it.

Your revelation may call for drastic changes in Ritchie's plans. It could mean sacrificing his family and what he could earn abroad so he could stay with you. It may strain your friendship with Marianne and end of Ritchie and Mark's brotherhood. We now have an unpleasant picture of friendships twisted by deceit, threatened by fear and suffocated by selfish desires.

If Mark doesn't want to stop, you have to stop him. This isn't going to be easy but someone has to do it. Sometimes we have to let go of other relationships just to save the one that is most important to us. Others could get hurt when we stand up for what we believe is best for us. We have to give up so many things just to prove how much we love a person. In every relationship, there is a cross to carry. It is not a burden but a mission to protect the relationship, to preserve love. It isn't easy carrying that cross, but God promises something beautiful out of every sacrifice that we patiently endure because of love.

By Desiree Caluza
Inquirer Northern Luzon

BAGUIO City — Singer-actress Karylle starts her day by running, which never fails to put a smile on her face.

"I was never a morning person," she confessed. "But now, running has become a habit. It's a friendly activity … you see people walking their dogs. We smile at each other."

Something in the morning makes people happy, Karylle said on Saturday after finishing the Pharmaton MVP Unleashed Challenge here in the country's summer capital.

Karylle ran with five finalists of the competition along Naguilian Road in the event's Baguio leg.

The competition kicked off on March 5 and consisted of 30 days of physical and mental challenges set up in Davao, Bohol, La Union, Ilocos Sur and Ilocos Norte.

Kings, Painters magsusubukan

PAGOD ngunit matalas ang Rain or Shine Elasto Painters sa kanilang pagharap kontra paboritong Barangay Ginebra Kings ngayon sa PBA Commissioner's Cup quarterfinals sa Cuneta Astrodome.

Nakapahinga na ng husto ang Kings samantalang dumaan sa overtime bago matalo ang E-Painters sa San Miguel Beer Miyerkules nang gabi.

Haharapin ng Air21 Express ang Alaska Aces sa ikalawang laro 7:30 p.m sa sarili nilang best-of-three series.

Malaking problema ng Express kung paano patatahimikin si Aces playmaker LA Tenorio na hindi lamang mahusay umiskor ngunit nagsisilbing pandikit sa opensa ng Alaska.

Naniniwala si Ginebra coach Jong Uichico na krusyal ang Game One sa isang maiksing serye.

MGA LARO NGAYON

5 p.m.—Barangay Ginebra vs Rain Or Shine
7:30 p.m.—Air21 vs Alaska

"It gives you an edge. That's how crucial Game 1 is," sabi ni Barangay Ginebra coach Jong Uichico.

Pinabagsak ng Kings ang E-Painters sa kanilang unang paghaharap samantalang tinalo ng Express ang Aces sa eliminasyon.

Sasagupain ng magwawagi sa pagitan ng Express at Aces ang Talk 'N Text Tropang Texters samantalang Smart Gilas Pilipinas ang nakaabang sa aabante sa pagitan ng Kings at E-Painters.

"Yes, we'd beaten Alaska. But the atmosphere is different now," ani Air21 coach Bong Ramos. "Basketball is a game of momentum. One mistake and everything could change."

Colt 45 Race of Champions unfurls Saturday at Marikina

THE country's up-and-coming underbone riders show their wares in the first Colt 45 Motorcycle Race of Champions starting Saturday at the Marikina City Hall grounds.

Aimed at discovering new talents for manufacturers looking for riders to banner their teams, the Marikina race will also serve as a kickoff for the city-hopping event, which will have three other legs preceding the National Championship in December in Manila.

Other races on tap this year are in Cabanatuan City from June 25-26, Cagayan De Oro City from Aug 6-7 and Cebu City from October 15-16.

The National Championship from Dec. 17 to 18 is set at the Quirino Grand Stand in Manila.

Aside from the underbone race in the makeshift racetrack designed by TRS Racing led by four-time Superbikes champion Maico Buncio, the two-day event will also feature a motorcycle trade show and several activities promoting road safety.

Another component of the event sponsored by Colt 45 is a Safety Riding Seminar, which is in line with Asia Brewery's thrust of promoting responsible riding.

The event is actually Colt 45's corporate social responsibility launch effort at educating motorcycle riders in order to avoid accidents caused by riding under the influence.

A motorcycle show participated by manufacturers Honda, Suzuki, Kawasaki, Yamaha, Kymco and Demak has also been lined up, along with a showcase of motorcycling related products and a free service check up by Guanzon Group of Companies.

The two-day event is held in partnership with Two Wheel Enthusiasts Network, Inc., publishers of MotorCycle Magazine and Power Wheels and AirPhil Express, the event's Official Carrier.

PAANO masusukat kung ang isang pamunuan ay tagumpay?

Hindi ba't dapat nagkaka-isa at sama-sama sa iisang layunin ang mga opisyal, myembro at atleta nito?

Ngayon masasabi kaya natin na ang pamunuan ni Philippine Olympic Committee (POC) president Peping Cojuangco ay tagumpay at maayos?

Siguro hindi na dapat pang ipagdiinan, pero 10 umano sa mga National Sports Association o higit pa, kung hindi magulo ay nahahati sa dalawa.

Nahahati sa dalawa na ang ibig sabihin ay dalawang paksyon o dalawang grupo na nagsasabing sila ang legit o tunay na pangulo.

Sa 10 o 22 asosasyon na sinsabing nahahati o dalawa ang nagki-claim ng presidency ay nagiging lumpo o hindi umuusad ang mga programa.

Sa bandang huli hindi baga't ang mga atleta ang naapektuhan at ang pinaka-grabe ay ang kampanya sa international competition.

Ang pinaka-latest association na kasing gulo ng isang buwang hindi sinuklay na buhok ay ang Philippine Karatedo Federation PKF at noong isang araw ay sinundan pa ng pagre-resign ng presidente ng Shooting Association na si Art Macapagal, kapatid ng dating presidente ng Pilipinas na si Gloria.

Katwiran ni Art kaya siya nag-resign ay dahil sa pagod na siya.

Pero 'yun nga kaya ang tunay na dahilan?

Tungkol sa PKF ang sinusungkit para malaglag ni Joey Romasanta na kilalang malapit kay Peping Cojuangco, sa pagkapangulo ay si Go Teng Kok .

Si Romasanta ay dating deputy ni Teng Kok sa PKF.

Nakakatawa nga dahil si Go ay isang lantad na kaalyado ni Cojuangco .

Maging si Go nga ay nagugulohan kung bakit sa dinami-dami ng magulong asosasyon ay siya pa ang napili.

Kilala si Go na hindi basta sumusuko kahit na sino pang Poncio Pilato ang kalaban kaya' idinulog niya ito sa korte.

Ang huling balita, ay naisyuhan na ng Temporary Restraining Order si Romasanta n nagmula RTC Pasig.

Marami na ang nakakapuna na mula ng maupo sa pamunuan ng POC si Cojuangco sa halip na kumonti ang kaso ng pag-aagawan sa pamunuan ng mga national sports association ay lalo pang dumarami.

Kasama pa nga dito sa magugulong asosasyon ay ang equestrian, ang mismong asosasyon ni Cojuangco!
